

**YOUR INVITATION
STILL STANDS**

A woman with long dark hair, wearing a blue dress, stands in profile facing a glowing, arched stone doorway. The doorway is the source of a warm, golden light that illuminates the scene. The background is dark and misty, with silhouettes of bare trees on either side. The overall mood is mysterious and inviting.

The Journey Within Pastlife Regrebbion And Chann:

Journey Within Henry Leo Bolduc,2010-11 Well endorsed The Journey Within states on the back cover Your past life memories are closer to you than you may realise and many exciting discoveries are being made in the search for these timeless memories One exciting discovery is coming from a unique form of hypnosis regression which is proving to be an excellent tool for uncovering past life memories This is the story of research hypnotist Henry Bolduc s twenty five years of studying and practising hypnosis We get to share in the unfolding of a fascinating exploration into the human mind A good portion of the book is devoted to the development of channeling in two individuals who were able to repeat the Cayce Effect channelling information as the great North American Mystic Edgar Cayce did These sessions are documented with profound readings as Edgar Cayce referred Included are Channeling guidelines for those new to the concept **The Journey Within** Henry Leo Bolduc,2017 *Channeling* Joel Bjorling,2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult **Pathways and Parables for a Changing World** Miriandra Rota,2005-09-29 Here we are We know this is a powerful time we have successfully birthed ourselves to be present during the grand awakening We can feel it the call to powerful living What makes some solutions for powerful living easy to grasp whereas others seem slippery and elusive Maybe the slippery and elusive solutions are so different that they feel like a foreign language one we haven t yet learned to speak Maybe the elusive solutions are poking at the conclusions we ve spent our entire lives developing This book is about practical solutions called pathways Have you ever asked Pretty Flower a question only to have her answer begin with Once upon a time At the end of her parable have you ever found yourself saying Huh and then Oh yes It s easy simple That s what the parables are all about a shift in consciousness and spiritual awakenings galore But don t let me keep you a moment longer from these easy pathways delightful parables and simple solutions for your powerful living Miriandra Rota Interwoven within your story dear beloved ones is the truth of who you are Interwoven within the fabric of your being are encodings that contain all knowing and the capability to venture forth in the fulfillment of your heart s yearning And within your heart s yearning resides your beloved innocence which holds the wisdom you seek while creating your story Blessed are you Pretty Flower *Routledge Library Editions: Spiritualism* Various,2022-07-30 The volumes in this set originally published between

1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology

The Story of the People Eileen M. Rota,1993 An exciting history of our coming to Earth our traditions our choices and the coming changes it can be viewed as a metaphysical adventure science fiction or the epic of all of us brave enough to know the truth Beautifully written and illustrated

Frontiers of Knowledge: Scientific and Spiritual Sources for a New Era Douglas Kinney,2014-06-06 Frontiers of Knowledge is the story of unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe We are birthing a new era in which our ideas about the nature and source of reality are swiftly changing Insights from quantum physics suggest that the basis of our physical world is actually mental conscious thoughts Other discoveries are causing us to redefine our concepts of mind and the elusive thing we call consciousness All strongly hint that spirituality is the underlying source of everything Frontier scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge through systematic investigations of startling phenomena that have been observed in quantum physics cosmology biology psychology disease and healing death near death experiences reincarnation experiences and those occurring in spiritual hypnosis on the nature of the spiritual realm New concepts of reality are especially needed to explain the incredibly finetuned characteristics and the mysterious nature of our physical universe Ninety five percent of the universe s energy and mass are a mystery to scientists and for the moment we resort to naming them dark matter and dark energy The last time a comparable knowledge revolution occurred was in the late sixteenth century when astronomers determined that the planets revolved around the sun not the earth Historians call it the Copernican Revolution because it led to modern Western science From one perspective the new era predicted in this book a revolution in its own right can be considered the completion of the quantum revolution by defining and explaining the role of consciousness in our universe An underlying aspect of this new revolution is the sense that humanity is moving into a new era of rapidly expanding knowledge of the human spirit our soul aspect and non physical realities Until now this emerging knowledge has not been organized into a coherent and comprehensive structure Frontiers of Knowledge provides the first outline of this new structure of reality

Reincarnation Lynn Kear,1996-07-22 Over 500 books are described Each entry includes full bibliographic information a description of the contents and additionally in most cases an excerpt is included that gives the flavor of the book Pro and anti reincarnation sources are featured for this highly
