## **The Judgment Of Jonah:**

**The Judgment of Jonah** Jacques Ellul,Geoffrey W. Bromiley,2011-06-02 This is not a commentary in the traditional sense One might call it an existential commentary An important aim of the author is to bring out the relevance of the story of the person mission and situation of Jonah to Christians in our own time Above all this is a theological or more specifically a christological commentary The author s chief aim is to relate the book not to Christians but to Christ Ellul thinks Christ is the center of all Scripture and he also takes seriously the specific reference which Christ makes to the sign of Jonah If this reading is correct and the Bible is indeed a unity the exposition of Ellul though not developed in detail has a distinctive theological contribution to make Those who want acute theological insight and are not afraid of plain hard hitting application will read this vivid study with relish and profit From the Preface by G W Bromiley
