English Literature Works grade 1 language English abstract The following study focuses on the characters of Macbeth Lady
Macbeth King Duncan and the Witches or We rd Sisters The main focus being why they are still discussed today What makes
the conflicted characters of Macbeth and Lady Macbeth so interesting What do the witches represent Is King Duncan a weak
or generous King At the time Macbeth was enjoyed by rich and poor and still is appreciated today but why If you type William
Shakespeare into Google you will receive over 64 million results And although very little is known about his personal life the

plays and poems he wrote have survived over four centuries and Shakespeare's works are the second most quoted after the Bible. This research paper will be focusing on one of Shakespeare's most enduringly popular and globally influential plays, the tragedy *Macbeth*. The play was probably written around 1606. The play focuses on a Thane called Macbeth who is driven by witches and by his wife into the murder of King Duncan in order to take the throne for himself. Since 1606, *Macbeth* has been performed uncountable times in theatres and screened several times, the most recent one being *Macbeth* UK 2015 with Justin Kurzel directing and Michael Fassbender starring as Macbeth. Shakespeare's plays are still addressed in schools around the world.
