couple Baby Boomers that left their secure life in Florida packed up all of their pets and just about everything that wasn't nailed down and then moved to the Ozark Mountains in Missouri. The challenges set before them were selling their little farm in Florida just before the market fell and then driving a large camper and a packed moving van 1000 miles. They lived like gypsies for a month, searched and finally purchased property which consisted of 25 acres and a 100 year old Ozark barn. This incredible couple in retirement years lived in a 33 foot long camper while they themselves built their home in the barn and turned it into a lodge type dwelling to spend their final years. Read of the trials, tribulations and a new retirement budget they endure and when you're finished reading you'll agree that these baby boomers have guts. It is the story of back-breaking work, an emotional journey that almost ended their relationship and a home that is absolutely unique. They watch the world go by as they breathe the fresh air and sip the cold clean water. Wildlife visit them each day on their hill and their own herd of boar goats graze in the pasture keeping them constantly entertained with their antics. Life is laid back but it wasn't always so tranquil. Yes, they surely have guts.

*Snow on the Desert* Ben Kraieski, 2013-12-18 The Turner family headed by Jessup Paul Turner is a power force in the country. The family is obsessed with the preservation of its heritage and dynasty but is cursed with marriages that produce a single male heir each generation. Jessup Paul Turner's wife produces an heir. Unfortunately the heir is a girl. The girl Debra while in college falls in love with a Black student. They marry against family wishes and she becomes pregnant, unacceptable for the Turner dynasty preservation. Turner determines that the child must be killed to preserve the Turner lineage. Turner sends men led by his personal bodyguard to kill the baby. The bodyguard in love with Debra kills the hit men instead. The young child is precocious and as he matures believes himself to be the son of God. He attracts a large following called the Jessupites. Turner now with a male heir as a result of a relationship with a prostitute is determined now more than ever to have the Black boy killed. He puts into motion a plan to kill the Black Prophet.
