Studies In Lucian Barry Baldwin, 1973 Lucian of Samosata one of the most prolific writers of antiquity would have disappeared from the history almost completely had not the ancients themselves preserved a large amount all other ancient writers we have an extensive body of information for Lucian a succession of questions and mysteries Born in 117 or thereabouts Lucian built a public career out of his writing As Barry Baldwin says He was well aware of one deadly rule of the game publish or perish He published a great deal and the importance of his work lends heightened interest to an understanding of his life and his career In this the first full length treatment of Lucian in English Barry Baldwin examines the evidence for Lucian's life and tries to reconstruct as much as possible from contradictory and elusive data This book looks at Lucian the writer and careerist rather than just his writing and in its treatment of this major figure casts new light on the development of culture in the Greek world under Roman domination Studies in Lucian's Comic Fiction Graham
