Studies In Malory:

Studies in Malory James W. Spisak, 1985 Compiled to mark the five hundredth anniversary of publication of Sir Thomas Malory's *Le Morte Darthur* by William Caxton this volume contains critical studies of Malory's work supplemented by essays that place that work in the larger context of Caxton's canon **Caxton's *Morte Darthur*** Takako Kato, 2002 Revisiting the fundamental texts of Sir Thomas Malory's *Morte Darthur* the Winchester manuscript and William Caxton's printed edition and investigating what happened in Caxton's workshop are the best ways of discovering what Malory intended to write This study investigates the irregular use of paraphs and the missing chapter divisions in Caxton's *Morte* and reveals frequent alterations to it in order to fit his text on the page It identifies the points at which alterations are most likely to have been made and suggests that Caxton may have consulted the Winchester manuscript while he was preparing his edition regularly with regard to textual divisions **Studies and Notes in Philology and Literature**, 1897 **New Directions in Arthurian Studies** Alan Lupack, 2002 Eleven essays bring Arthurian studies into the 21st century including film and black popular culture Eleven essays by leading Arthurians lead off with an overview of the field suggesting directions that Arthurian studies must take to remain vital Other essays contain innovative approaches overviews of specific areas of Arthurian studies and suggestions for new ways to approach Arthurian material they range over Malory Latin Arthurian literature Gawain and the Green Knight Merlin in the twenty first century Tennyson's *Idylls of the King* Arthur in African American culture current trends in criticism Arthurian fiction and Arthurian film Contributors ROBERT BLANCH DEREK BREWER P J C FIELD SIAN ECHARD PETER GOODRICH KEVIN HARTY NORRIS J LACY BARBARATEPA LUPACK DAVID STAINES RAYMOND THOMPSON JULIAN WASSERMAN BONNIE WHEELER *Studies in Malory's *Morte D'Arthur** Diana Hilary Annandale-Steiner, 1969 **Re-viewing *Le Morte Darthur*** Kevin Sean Whetter, Raluca L. Radulescu, 2005 New articles offer a variety of fresh perspectives on some of the most important areas of Malory criticism **Studies in Short Fiction**, 1980 **Prison Narratives from Boethius to Zana** P. Phillips, 2014-07-24 Prison Narratives from Boethius to Zana critically examines selected works of writers from the sixth century to the twenty first century who were imprisoned for their beliefs Chapters explore figures lives provide close analyses of their works and offer contextualization of their prison writings **Research Guide to Biography and Criticism** Walton Beacham, 1985 Description and evaluation of the most important biographical autobiographical and critical sources published about 127 British American and Canadian writers Research Guide to Biography and Criticism: 1990 update, 1985 **The Legend of Arthur in British and American Literature** Jennifer Robin Goodman, 1988 Examines the history of the Arthurian legends and their role in English and American literature up to the present One chapter is devoted to Malory's *Morte Darthur* **Tennyson's Camelot** David Staines, 2010-10-30 As the principal narrative poem of nineteenth century England Tennyson's *Idylls of the King* is an ambitious and widely influential reworking of the Arthurian legends of the Middle Ages which have provided a great body of

myth and symbol to writers painters and composers for the past hundred years Tennyson's treatment of these legends is now valued as a deeply significant oblique commentary on cultural decadence and the precarious balance of civilization Drawing upon published and unpublished materials Tennyson's Camelot studies the Idylls of the King from the perspective of all its medieval sources In noting the Arthurian literature Tennyson knew and paying special attention to the works that became central to his Arthurian creation the volume reveals the poet's immense knowledge of the medieval legends and his varied approaches to his sources The author follows the chronology of composition of the Idylls allowing the reader to see Tennyson's evolving conception of his poem and his changing attitudes to the medieval accounts The Idylls of the King stands ultimately as the poet's own Camelot his legacy to his generation an indictment of his society through a vindication of his idealism *Harvard Studies and Notes in Philology and Literature* ,1896 **Tulane Studies in English** ,1958 *Studies in the Literary Imagination* ,1971 **The Structure of Sir Thomas Malory's Arthuriad** Stephen Knight,1969 In recent years there has been a vigorous controversy in Britain and the U S A over the structure of Malory's so called Morte Darthur is it one book or eight In this study the author examines the main issues of the controversy and discusses the validity of the arguments There seem to be good points made on both sides and this is because the Arthuriad is structurally various in nature it cannot be forced into one uniform structural mould or another as previous commentators have tried to do *Studies in Language, Literature, and Culture of the Middle Ages and Later* Elmer Bagby Atwood,Archibald A. Hill,1969 *Arthuriana* ,2003 *A School History of English Literature* Elizabeth Lee,1896 **The Other in the School Stories** Ulrike Pesold,2017-03-27 In The Other in the School Stories A Phenomenon in British Children's Literature Ulrike Pesold examines the portrayal of class gender race and ethnicity in selected school stories and shows how the treatment of the Other develops over a period of a century and a half The study also highlights the transition from the traditional school story to the witch school story that by now has become a subgenre of its own The school stories that are analysed include selected works by Thomas Hughes Rudyard Kipling Enid Blyton and J K Rowling
