First Corinthians Richard Oster, 1995 This College Press commentary on 1 Corinthians has been designed for the serious student as well as the growing Christian providing sound exegesis clear exposition an objective approach and commentary keyed to the New International Version Life-study of First Corinthians Witness Lee, 2023-09-26 In the book of 1 Corinthians Paul addresses 11 difficult problems in two categories In the Life study of 1 Corinthians Witness Lee helps us see that Christ is the unique factor to solve the first six problems and that the church is the unique factor to solve the final five problems Christ as God's center and the One given to us as our unique portion is the unique factor for solving all the problems in the realm of human life The church is the element for settling all the problems in the realm of the divine administration By living Christ the believers are not only saved from all the problems in human life but are also brought into a right relationship with the Body of Christ under the headship of Christ to carry out God's administration **Studies in First Corinthians** M. R. DeHaan, 1956 The First Letter of Paul to the Corinthians William Flewelling, 2017-10-24 The Bible studies I chose to do came about in answer to the request from my first congregation out of seminary I consistently sought to present a serious somewhat scholarly approach to the interest among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that format I attempted to discover for myself and my group what the book sought to convey In this volume the study of 1 Corinthians 198283 followed that pattern exactly 1 Corinthians John F. MacArthur, 2015-12-29 As the gospel spreads to the far corners of the earth the apostle Paul is under mounting pressure to provide direction to maturing churches before they go

astray It is with this urgency that Paul covers many topics that are especially relevant in today's society Pastor John MacArthur will take you through the first letter to the church in Corinth to show how this church in particular allowed their worldliness to affect the church's priority of spreading the gospel and how Paul's response gives Christians black and white boundaries in a gray world As Paul explains doctrinal truths directly relating to sin and righteousness he outlines a foundation for godly behavior Paul's letter is a valuable tool of correction and encouragement for believers then and now to be alert firm mature strong and loving

ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts

Let's Study 1 Corinthians David Jackman, 2004 A practical guide to a key New Testament book in which the Apostle Paul teaches how the gospel must shape the believer's life style and relationships both in the church and the community A welcome help to those facing unrelenting pressure from a godless environment and sin's continuing deceitfulness Corinth was a confident modern and self-assured city proud of its image and thoroughly pagan It was a miracle of God's grace that the seed of the gospel had taken strong root in such potentially hostile soil But the young and tender plant was in grave danger of being choked by the suffocating pressures of a godless environment and the deceitfulness of sin still at work in the hearts of believers In the Apostle Paul's first letter to the Corinthians he teaches his readers how the gospel in which they have believed must now shape their life style within the church and the community What does it mean to be spiritual in a truly Christian sense Where do God's power and wisdom lie and how are they to be experienced What is the relationship of knowledge to behaviour of truth to love and of love to life

First Corinthians - Women's Bible Study Participant Book Melissa Spoelstra, 2016-08-02 Relationships are messy We're all different and imperfect and we can struggle to get along especially with those who disagree with us Often we find ourselves divided even as Christians How can we work out our differences and disagreements with humility and grace always showing the love of Christ while still remaining true to what we believe The Apostle Paul wrote to the Christians living in Corinth about this very thing The cultural backdrop of Corinth was even more overtly sinful than our culture today yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ In this six week study we will explore Paul's first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions whether in the workplace neighborhood school home social media community or church We'll discover that the answer is living and sharing the radical love of Jesus Christ and we'll unpack what this means and how we can live it out day by day The Participant Book includes five days of lessons for each week combining study of Scripture with personal reflection

application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 25 30 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study s components
