Someone Else's War Mercenaries From 1960 To The Present:

Someone Else's War Anthony Rogers, 2000 Based on extensive interviews with mercenaries of many nationalities this volume reveals how white mercenaries came to play a key role in the struggle for the Congo and how the end of the war in Vietnam coincided with the start of the war in Rhodesia attracting a new generation of mercenary soldiers The story moves on from the Angolan debacle of 1976 to a succession of operations in Africa and South America an attempted coup in Malta and to the mercenaries that flocked to the former Yugoslavia as the Balkan conflict worsened **Mercenaries in Asymmetric Conflicts** Scott Fitzsimmons, 2013 Fitzsimmons argues that small mercenary groups must maintain a superior culture to successfully engage and defeat larger and better equipped opponents *The Roots and Consequences of 20th-Century Warfare* Spencer C. Tucker, 2016-09-06 This unique reference book introduces readers to the causes and effects of the 20th century's most significant conflicts and explains how the impact of these conflicts still resonates today *The Roots and Consequences of 20th Century Warfare Conflicts That Shaped the Modern World* introduces students to the causes and effects of the 20th century's most significant conflicts Covering conflicts that occurred in all regions of the world readers will gain knowledge on the causes and consequences of each conflict and become familiar with the historical context needed to understand the roots and consequences of these seminal events The text also identifies key opponents in each conflict and illuminates the reasons why each country or group decided to fight the scope of their involvement in the war and the impact of the war Reference entries on key battles are presented in chronological order supplying engaging details on the events and people who shaped each war The book also supplies maps of the key battles to illuminate the strategic movements of both sides of the conflict A lengthy bibliography offers a wealth of options to readers seeking more sources of information on any of the conflicts **A Matter of Weeks Rather Than Months** J. R. T. Wood, 2012 Founded on 35 years of research into the post 1945 Anglo Rhodesian history this book complements Richard Wood's *The Welensky Papers A History of the Federation of Rhodesia and Nyasaland 1953 1963 1983 and So Far and No Further Rhodesia's bid for independence during the retreat from empire 1959 1965 2005* Of *So Far* Michael Hartnack wrote that Once in a lifetime comes a book which must force a total shift in the thinking person's perception of an epoch and of all the prominent characters who featured in it *A Matter of Weeks Rather than Months* recounts the action and reaction to Ian Smith's unilateral declaration of Rhodesia's independence the second such declaration since the American one of 1776 It examines the dilemmas of both sides Smith's problem was how to legitimise his rebellion to secure crucial investment capital markets trade and more His antagonist the British Prime Minister Harold Wilson was determined not to transfer sovereignty until Rhodesia accepted African majority rule in common with the rest of Africa Given British feelings for their Rhodesian kith and kin and Rhodesia's landlocked position Wilson eschewed the use of force He could only impose sanctions but hoped they would defeat Smith in a matter of weeks rather than months The Rhodesians however evaded the sanctions with such success that they forced Wilson to

negotiate a settlement Negotiations were nevertheless doomed because the self confident Rhodesians would not accept a period of direct British rule while rapid progress to majority rule was made or the imposition of restraints on powers they had possessed since gaining self government in 1923 In tune with their allies in the African National Congress of South Africa the Rhodesian or Zimbabwean African nationalists had already adopted the Marxist concept of the Armed Struggle as a means to power Sponsored by the Communist Bloc its surrogates and allies they began a series of armed incursions from their safe haven in Zambia Although bloodily and easily repulsed they would learn from their mistakes as the Rhodesian forces would discover in the 1970s Consequently this is a tale of sanctions negotiations and counter insurgency warfare

Mercenaries Michael Lee Lanning, 2005 **Talking Conflict** Anna M. Wittmann, 2016-12-05 In today's information era the use of specific words and language can serve as powerful tools that incite violence or sanitize and conceal the ugliness of war This book examines the complex twisted language of conflict Why is the term collateral damage used when military strikes kill civilians What is a catastrophic success What is the difference between a privileged and unprivileged enemy belligerent How does deterrence differ from detente What does hybrid warfare mean and how is it different from asymmetric warfare How is shell shock different from battle fatigue and PTSD These are only a few of the questions that Talking Conflict The Loaded Language of Genocide Political Violence Terrorism and Warfare answers in its exploration of euphemisms warspeak doublespeak and propagandistic terms This handbook of alphabetically listed entries is prefaced by an introductory overview that provides background information about how language is used to obfuscate or minimize descriptions of armed conflict or genocide and presents examples of the major rhetorical devices used in this subject matter The book focuses on the loaded language of conflict with many of the entries demonstrating the function of given terms as euphemisms propaganda or circumlocutions Each entry is accompanied by a list of cross references and Further Reading suggestions that point readers to pertinent sources for further research This book is ideal for students especially those studying political science international relations and genocide as well as general readers **Scottish Studies Review**, 2003 *Connections*, 2002 From the PFP website The Consortium is providing a family of publications covering the full range of security studies to an international standard of excellence serving the military civilian and academic needs of the Consortium membership Currently this family includes Quarterly journal Athena papers Bulletins Information papers **Walter Scott and Modernity** Andrew Lincoln, 2007 This book includes critical introductions to some of Scott's most influential poems and explores the narrative strategies and ideological interests of some of his greatest novels [The Cumulative Book Index](#), 1999 *The British National Bibliography* Arthur James Wells, 2001 **Cumulated Index to the Books**, 1999 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 **Bloodsong!** Jim Hooper, 2002 Executive Outcomes was the title of the most successful private army of modern times In Angola Sierra Leone and Papua New Guinea it stepped in while the UN revealed itself as little more than a debating society But the motives of this mercenary army are open to question was

it more interested in protecting Sierra Leone s diamond mines than the people caught up in a savage guerilla war Journalist Jim Hooper followed Executive Outcomes on operations all over Africa and in this book reveals the story of a mercenary army in action *New Statesman* ,1996 *Summary of World Broadcasts* British Broadcasting Corporation. Someone Elses War Mercenaries From 1960 To The Present Introduction

In today's digital age, the availability of Someone Elses War Mercenaries From 1960 To The Present books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Someone Elses War Mercenaries From 1960 To The Present books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Someone Elses War Mercenaries From 1960 To The Present books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Someone Elses War Mercenaries From 1960 To The Present versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Someone Elses War Mercenaries From 1960 To The Present books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Someone Elses War Mercenaries From 1960 To The Present books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Someone Elses War Mercenaries From 1960 To The Present books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Someone Else's War Mercenaries From 1960 To The Present books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Someone Else's War Mercenaries From 1960 To The Present books and manuals for download and embark on your journey of knowledge?
