Roeleveld, 2019-02-19 Your next conversation could impact someone's life forever Hard conversations challenge everyone
Some people make every effort to avoid them altogether others dive in enthusiastically damaging relationships in the process
A solid middle ground is difficult to find especially for those who want to make sure they're following a biblical model for
these tough encounters Lori Roeleveld firmly believes that the dialogues everyday Christians delay are often the very
channels God wants to use to deepen relationships and transform lives And she is eager to address the challenges they pose
and to guide readers to meaningful conversations that rely on the wisdom of the Bible rather than the world In *The Art of
Hard Conversations* Roeleveld provides motivation inspiration and practical readily applied skills to make those tricky talks
more effective Through funny vulnerable personal stories sound biblical teaching and sections of tips and assignments to
practice the principles here are guaranteed to increase the confidence and competence of Christians in discussing sensitive
