

Maybe sometimes you have to  
say goodbye, even when it hurts.  
Maybe that's the only way to  
appreciate the hellos.

*The End of the Island* Jeffrey C. Tucker,2016-04-08 What if you were to look at human suffering pain and loss with another lens Not as something that you merely make it through but as something that you move around within In this fresh creative and provocative new book Jeffrey Tucker explores suffering in new ways challenging our existing beliefs and theologies while offering a healthier and more helpful approach to viewing ourselves our faith and others in the face of suffering Tucker addresses specific and practical questions that we often ask ourselves when we suffer attempting to locate our suffering our identity the persons of the Divine our support and our hope in the process He also engages us along the way by wrapping wisdom within the framework of a story of an old man on an island who is seeking answers to his pain and loss The journey takes unexpected turns as the old man learns new ways to walk and to live in the midst of his pain As we join the old man in his walk we learn new ways as well This highly readable and accessible book offers thought provoking and transforming ideas for persons of every walk of life and faith     **Barracoon** Zora Neale Hurston,2019-12-11 In 1860 wordt de negentienjarige Oluale Kossola vanuit West Afrika naar de Verenigde Staten verscheept op het laatste dan al illegale Amerikaanse slavenschip de Clotilda Wanneer hij al ver in de tachtig is wordt hij als de laatst bekende overlevende van de slavernij ge interviewd door de beroemde schrijfster en antropologe Zora Neale Hurston Gedurende een periode van

maanden komen de schrijfster en de oude man elkaar nader en vertrouwt hij haar steeds meer toe zijn jeugdherinneringen verhalen over zijn gevangenneming de horror van de overtocht en het verdere verloop van zijn leven nadat de Amerikaanse burgeroorlog hem zijn vrijheid teruggaf Hurston tekende zijn verhaal in 1931 op met het gevoelige oor en de empathie die haar tot een van de belangrijkste Amerikaanse schrijvers van de twintigste eeuw maakten maar vond geen uitgever voor dit werk Toen het in 2017 alsnog verscheen werd het herkend als een uniek historisch document In deze Nederlandse uitgave wordt naast de vertaling ook het oorspronkelijke Engels afgedrukt zodat de stem van Kossola zorgvuldig fonetisch vastgelegd door Hurston de Nederlandse lezer in volle glorie bereikt     *See Through the Complicated* Neema Komba,2011-02-19 See through the complicated is a collection of poems that represent a journey towards hope Life comes with a lot of ups and downs and situations that are sometimes too complicated to comprehend Sometimes because of the many downs we may fail to see the ups To sail through the hardships we need to believe that it will be alright we may need to be told that it will be

alright We may need to be told that we can do better than wait and that someone understands and cares that they have been through it before that we are not alone Sometimes we need only to look past ourselves see someone elses life and appreciate our own In See through the complicated you get to see through my world and situations I know of I do not hold back for through writing this I found my hope And as the author my hope is that you relate to one or two poems and somewhere within this you find hope **A Father's Daughter** Swastika Juggernath,2023-01-31 A Father s Daughter is both a journey through grief and the healing of the soul By adopting an intimate and familiar style of writing the author uncovers the painful reality behind the loss of a loved one Nothing could have prepared her for the sudden loss of her father due to the Covid 19 pandemic By sharing her experience as well as her childhood memories the author takes the reader by the hand and shows how grief is often followed by regret and anger especially when facing the loss of someone we consider special and irreplaceable Nevertheless recovering is possible although equally painful It requires a high price to pay and afterwards as the author suggests it usually drives you to ask yourself more questions in the attempt to prepare the ones who will in the future find themselves in the same situation Swastika Juggernath a sneaker portfolio manager by day at Bata South Africa possess a PHD in Bus Sc and is also a mum of two kids with a peculiar sense of humour to stay sane Named after the originating ancient well wishing Hindu Sanskrit symbol Swastika can herself be found reading and researching when she is not passionately writing Swastika s passion for writing stemmed at an early stage when she enjoyed writing essays and continued even after she escalated her writing through academic levels until her long life dream of PHD achieved in 2020 She doesn t consider herself a famous writer but only an average mum and daughter who has experienced grief and now has decided to share it with the world **The bright and morning star: being a 6th ser. of sermons** Thomas De Witt Talmage,1878
