

## Son Of Sato

**Japan. Gaimushu. Joho Bunkakyoku**

## Son Of Sato:

*Son of Sato* William Lewis, 1978      **Eisaku Sato, Japanese Prime Minister, 1964-72** Ryuji Hattori, 2020-10-12 This book is a biography of Eisaku Sato (1901-75) who served as prime minister of Japan from 1964 to 1972 before Prime Minister Abe's the longest uninterrupted premiership in Japanese history. The book focuses on Sato's management of Japan's relations with the United States and Japan's neighbours in East Asia where Sato worked to normalize relations with South Korea and China. It also covers domestic Japanese politics particularly factional politics within the ruling Liberal Democratic Party (LDP) where Sato as the founder of what would become the largest LDP faction was at the centre of LDP politics for decades. The book highlights Sato's greatest achievement the return of Okinawa from United States occupation for which together with the establishment of the non-nuclear principles he was awarded the Nobel Peace Prize the only Japanese to receive the Prize. The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license.      [Japan Encyclopedia](#) Louis-Frédéric, 2002 Knowing Japan and the Japanese better Louis Frédéric states in the introduction to this encyclopedia is one of the necessities of modern life. The Japanese have a profound knowledge of every aspect and detail of Western societies. Unfortunately we in the West cannot say the same about our knowledge of Japan. We tend to see Japan through a veil of exoticism as a land of ancient customs and exquisite arts or we view it as a powerful contributor to the global economy the source of cutting edge electronics and innovative management techniques. To go beyond these clichés we must begin to see how apparently contradictory aspects of modern Japanese culture spring from the country's evolution through more than two millennia of history. This richly detailed yet concise encyclopedia is a guide to the full range of Japanese history and civilization from the dawn of its prehistory to today providing clear and accessible information on society and institutions commerce and industry sciences sports and politics with particular emphasis on religion material culture and the arts. The volume is enhanced by maps and illustrations along with a detailed chronology of more than 2 000 years of Japanese history and a comprehensive bibliography. Cross references and an index help the reader trace themes from one article to the next. Japan Encyclopedia will be an indispensable one volume reference for students scholars travelers journalists and anyone who wishes to learn more about the past and present of this great world civilization.      **Satō, America and the Cold War** Fintan Hoey, 2015-10-06 Using recently released archival material from the US and Japan this book critically re-examines US-Japanese relations during the tenure of Sato Eisaku Japan's longest serving prime minister. During these critical years in the Cold War in Asia with the Vietnam War raging and the acquisition by China of a nuclear capability Sato closely aligned with the US. This directly contributed to his success in securing the reversion of Okinawa and other Japanese territories which had remained under US control since Japan's surrender at the end of World War II. To accomplish this he was also forced to conclude secret agreements with President Richard Nixon including one on nuclear weapons which are explored fully. Sato faced the challenge

of the Nixon administration's attempts to shore up the relative decline in American power with policies at odds with allied interests. Sato successfully overcame such challenges and also laid the groundwork for Japan's anti-nuclear policy.

**Gentleman Samurai and Internationalist** Greg Gubler, 2021-03-04 This book examines Sato Naotake's remarkable and long career at the crossroads of Imperial Japan, emphasizing his integrity and realistic approach to diplomacy which were particularly evident in his role in maintaining the Neutrality Pact with the Soviet Union and in promoting the United Nations.

**Reforming Lesson Study in Japan** Yuta Suzuki, 2022-03-30 This book elucidates the formation and development of theories of action in school reforms for Schools as Learning Communities (SLC) during ten years from its inception in 1998 in select Japanese elementary schools, junior high schools, and one secondary school. While growing international interest in Japanese lesson study is in pursuit of a standard lesson study, Suzuki offers a unique perspective into school reforms for SLC and how they resisted the standardization of lesson study out of concerns that it would limit a teacher's autonomous judgment and choice. Through a theory of action approach in its examination of the pilot schools for SLC, this book clarifies Why did teachers reform lesson study? What were the difficulties in reforming lesson study? Why were teachers working on school reform for SLC? Why did the school reform for SLC evolve from an elementary school to the junior high schools and high schools? This book provides a theoretical foundation for reviewing the past efforts and histories of Japanese lesson study reforms and will interest academics and practitioners looking for insights into the future of lesson study. Winner of the Seiichi Tejima Research Award 2023 Book Award and the Academic Research Award by the Japan School Improvement Research Association 2022.

**Year One** Amy Tasukada, 2017-08-13 A robot fanboy. An erotic voice actor. Will their secrets overwhelm their love? *Year One* is a short story anthology collection unlike anything you've ever read. Each short story is a glimpse into a day in Aoi and Sato's growing relationship. If you like geeky settings and sweet romance, then you'll love Amy Tasukada's slice of life story. Sato doesn't get out much. The anime company accountant spends his days at a desk and his nights working on his own small-scale robots. His geeky life is like a dream, but it has just one piece missing: The world only knows Aoi for his moans. The erotic voice actor has legions of fangirls obsessed with his gasps of simulated ecstasy. And his new boyfriend, Sato, can barely handle the attention. As Aoi's popularity rises and secrets about his past begin to reveal themselves, can the accountant and the voice actor rise above their problems to create something real? Buy *Year One* to start the lighthearted love story today.

**Who's who Among Asian Americans, 1994-95** Amy L. Unterberger, 1994 Provides biographical information including career information and addresses for notable Asian Americans in all fields of endeavour. The entries were selected on the basis of prominence in their fields or civic responsibility.
