The Wasting Game Philip Gross, 1998 Of an earlier book Terry Eagleton wrote Philip Gross knows how to make silence and suggestion resonate he touches an alien intractable dimension Gross's poems are about lost bearings and blurred frontiers a landscape bereft of assured relationships haunted by the just missedness of human contact Independent on Sunday These new poems reach towards closer engagement whether with the realities of Estonia his father's birthplace visited for the first time or with other loves and longings never uncomplicated but handled even at their most difficult with tenderness and wit nowhere more so that in the title sequence about his daughter's struggle with anorexia In the end this is a book of life and hope *The Reader's Companion to Twentieth-century Writers* Peter Parker, Frank Kermode, 1995 Rational Emotive Behaviour Therapy in a Nutshell provides a concise overview of a popular therapeutic approach starting with the ABCDE Model of Emotional Disturbance and Change Written by leading REBT specialists Michael Neenan and

Windy Dryden the book goes on to explain the core of the therapeutic process Assessment Disputing Homework Working through Promoting self change As an introduction to the basics of the approach this updated and revised edition of Rational Emotive Behaviour Therapy in a Nutshell is the ideal first text and a springboard to further study **Mappa Mundi** Philip Gross,2003 The medieval Mappa Mundi showed the real world hedged about with wonders Philip Gross s new poems are as vividly observed and sometimes fabulous as the traveler s tales of antiquity Like those creatures in the margins of old maps they are hybrids of real longings truth and lies Each is a journey open ended and surprising giving glimpses of the Middle East the Pacific North West or a Europe of lost spas These poems explore the spaces that can open between buildings in a city street in the shifting lights of love aging or in the gaps between words Heady and sobering unsettling celebratory they come home with findings from the real world of the senses heart and mind A Poetry Book Society Recommendation
