Some Wild Visions:

Wild Visions Ben A. Minteer, Mark Klett, Stephen J. Pyne, 2022-01-01 A stunning combination of landscape photography and thematic essays exploring how the concept of wilderness has evolved over time Our ideas of wilderness have evolved dramatically over the past one hundred and fifty years from a view of wild country as an inviolable place apart to one that exists only within the matrix of human activity This shift in understanding has provoked complicated questions about the importance of the wild in American environmentalism as well as new aesthetic expectations as we reframe the wilderness as to some degree a human creation Wild Visions is distinctive in its union of landscape photography and environmental thought a merging of short thematic essays with a striking visual narrative Often the wild is viewed in binary terms either revered as sacred and ecologically pure or dismissed as spoiled by human activities This book portrays wilderness instead as an evolving gamut of understandings a collage of views and ideas that is still in process

Building the Old Time Religion Priscilla Pope-Levison, 2015-01-08 During the Progressive Era a period of unprecedented ingenuity women evangelists built the old time religion with brick and mortar uniforms and automobiles fresh converts and devoted protégés Across America entrepreneurial women founded churches denominations religious training schools rescue homes rescue missions and evangelistic organizations Until now these intrepid women have gone largely unnoticed though their collective yet unchoreographed decision to build institutions in the service of evangelism marked a seismic shift in American Christianity In this ground breaking study Priscilla Pope Levison dusts off the unpublished letters diaries sermons and yearbooks of these pioneers to share their personal tribulations and public achievements The effect is staggering With an uncanny eye for essential details and a knack for historical nuance Pope Levison breathes life into not just one or two of these women but two dozen The evangelistic empire of Aimee Semple McPherson represents the pinnacle of this shift from itinerancy to institution building Her name remains legendary Yet she built her institutions on the foundation of the work of women evangelists who preceded her Their stories untold until now reveal the cunning and strength of women who forged a path for every generation including our own to follow Back cover
