INTERVIEW WITH AUTHOR Where did you come up with the idea of writing science fiction for holiday characters My nephew mentioned the secret Santa ninja elves that visit his school during

Christmas and this spawned the idea of writing a semi serious sci fi version of Santa How the ideas flesh out is a long process I started keep track of how the story arc of my latest novel evolves just to remember where it began It s all over the place I love the challenge of bringing a story to light letting the characters get in my head and telling me where to go Flury Journey of a Snowman is the third book in the Claus series It was originally Frosty the Snowman but Frosty is copyrighted It didn t matter really The character was better suited to be something other than Frosty Flury is a bit more serious Are you getting any backlash for rewriting these Christmas legends Not at all In fact a lot of readers have connected to all the unanswered questions surround them especially Santa Claus How does he go around the world in a night Why is he fat Why does he live on the North Pole How do reindeer fly How does he carry all those presents All of them answered with the magic wand of science fiction I mean the science wand of science fiction The stories still have the fantasy element of course Some leaps of imagination And also the romance angle Why Because all stories have love What is your favorite character from the books that you have written Socket Greeny is one of my favorites That science fiction trilogy was my first story I wrote it in first person and really connected with him However Jack Frost is in Claus Legend of the Fat Man and Jack The Tale of Frost and has become my all time fave He s childish irreverent and dangerous but at the same time lovable What order should readers purchase the Claus books Claus Legend of the Fat Man is the best start After that any order works They all can be read as standalone novels

The Discovery of Socket Greeny Tony Bertauski,2010-07-13 If you liked Ready Player One and Ender s Game you ll love the thrilling high tech adventure of Socket Greeny I was a nobody before I was a legend I had this funny name and white hair and really didn t care about anything But then one day something happened and nothing was ever the same Change is like that One day you re a nothing the next you re saving everything Not everybody Everything It s not that I didn t want to do what I did Someone once told me that true nature is a train you either get on board or get run over So I got on and let it take me What I saw the androids and the off world creatures The psychotic minders It s out there The rabbit hole is deep That s the thing with the truth It s been right in front of us all this time We just have to see it Once you do you ll never unsee it Once you know the truth you can t ignore it I was once a nobody and now I m a legend because I saw the truth about reality about this universe And I did something about it

REVIEWS FOR SOCKET GREENY Absolutely the BEST sci fi Totally enjoyable Dr Bill Encke Reviewer THE best book I have EVER read Reviewer I cried and laughed I was captivated Teresa Koschalk Reviewer A story along the lines of Heinlein s best SciFiGirl Reviewer Transcendent a beautiful and well written expression Tiffany Reviewer A Great Series for the SF fan of any Age Greg T Reviewer Twists throughout woven in so well you may not notice the dominos until the very end Reviewer This was one of the best sci fi tech audiobooks I ve heard lately and frankly I can t believe it s still relatively undiscovered Ms Christian C Reviewer

The Training of Socket Greeny Tony Bertauski,2010-09-21 A year has passed since the Paladin Nation was exposed to the public Their mission is still to protect

humanity from whatever may threaten them Previously it was the human duplications but now that they've been extinguished their biggest challenge is dealing with the complications of public image Socket Greeny now 17 years old has been a Paladin cadet for the past year and is nearing the final test But that's the least of his problems He's trying to live two lives one as a superhero while hanging onto his normal life While fearlessly dealing with his masochistic trainer he's trying to salvage his deteriorating relationship with his girlfriend back home But Socket's greatest challenge is to find his true enemy He discovers that fear has many faces

INTERVIEW WITH THE AUTHOR When did you start writing My first effort started with Socket Greeny It was a story I started for my son because he hated to read It didn't work but this character Socket took root It was the first time I felt possessed by a character with a story to tell It took me 5 years and countless rewrites to get it right I waited by the mailbox after that but the giant paycheck never arrived If you can't make money why write fiction I didn't say you can't make money There are a lot of people out there with a good book whether it's romance dystopia science fiction or young adult I'm just a minnow in a crowded pond It took a good deal of networking and research to realize just how hard it is Thanks to epublishing I can get the book out That frees me up to write what inspires me Writing is the true love There's something deeply satisfying to have characters come to life in your mind and watch their stories unfold It's a deeper experience than reading someone else's story What do you want readers to get from your stories I've always been inspired by fearless writing that asked poignant questions questions like who am I and what is the universe Things that made me look at life slightly different books that exposed a layer of reality Writing in the young adult genre appealed to me most because that's the age I really craved those questions and answers I want readers to see the world slightly different What is your favorite character I love a bad bad antagonist that you can't entirely hate there's some smidgeon of redemption you feel inside this demented sorry character Heath Ledger's Joker A despicable character that didn't deserve an ounce of pity but for some reason I didn't hate him as much as I should have It's that character I find most intriguing In The Socket Greeny Saga the character Pike was my Joker
