*Tales from India* Rudyard Kipling, 2013 *Tales from India* presents the very best of Kipling's short stories. His vignettes of life in British India give vivid insights into Anglo-India at work and play and into the character of the Indians themselves. Witty, wry, sometimes cynical, these tales with their brevity and concentration of effect are landmarks in the history of the short story as an art form. Politics, the Raj, and the life of the common soldier are some of the familiar themes associated with Kipling, but these stories also reflect the more unexpected aspects of Kipling's character and the different influences of the contrasting countries India, America, and England in which he lived. His progressive portrayal of women, his interest in supernatural and religious experiences, his understanding of the processes of mental and spiritual breakdown, and the curative powers of art are all revealed in this fascinating perspective of a great writer.

About the Author Rudyard Kipling 1865-1936 was born in Bombay but educated in England at the United Services College, Westward Ho. In 1882 he returned to India where he worked for Anglo-Indian newspapers. His *Barrack Room Ballads* 1892 were written for as much as about the common soldier. In 1894 appeared his *Jungle Book*, which became a children's classic all over the world. *Kim* 1901, the story of Kimball O'Hara and his adventures in the Himalayas, is perhaps his most felicitous work.
