

A
CHRISTMAS
CAROL

The image features a stylized, blue-toned illustration of a winter night. In the background, a multi-story building with snow-covered roofs and glowing windows is visible. Snow is falling gently from the sky. On the right, a street lamp with a warm yellow glow illuminates the scene. In the foreground, the dark silhouette of a person wearing a top hat and a long coat is visible, holding a cane. The title 'A CHRISTMAS CAROL' is written in a large, white, ornate serif font across the center. Two sprigs of holly with green leaves and red berries are placed on either side of the word 'CHRISTMAS'.

The Carol:

The Carol of Two Worlds M R G Cupid, 2025-12-06 The Carol of Two Worlds When Saira Mehta hit the brakes on her corporate life and arrived in the ice cold world of Himlok for a Christmas holiday she intended only to cover an art event But there she met Ayan Sengupta a silent philosophical ice sculptor whose world was bound by the limitless peace of ice and art Ayan taught Saira the language of the ice how fleeting art can become eternal And Saira taught Ayan how the warmth of love can break solitude and breathe new life Their love was a rare sculpture of ice and fire But when two different ways of life the noisy success of the city and the unbroken peace of the snow stood in the way of their love Saira had to make the hardest decision of her life In this auspicious season of Christmas will Saira be able to abandon her million dollar empire and defy her family to return to Ayan s silent world Or will their love melt like ice remaining only a memory This is a story of fleeting art and eternal love proving that life s true warmth does not come with the flip of a switch but through the deepest sacrifice of the heart
