Taking America:

Taking America Back for God Andrew L. Whitehead, Samuel L. Perry, 2020-02-03 Why do white Protestants in America embrace a president who seems to violate their basic standards of morality The answer Andrew Whitehead and Samuel Perry argue is Christian nationalism the belief that the United States is and should be a Christian nation Knowing someone's stance on Christian nationalism this book shows tells us more about his or her political beliefs than race religion or political party Drawing on national survey data and interviews with Americans across the political spectrum Taking America Back for God illustrates the tremendous influence of Christian nationalism on debates about the most contentious issues dominating American public life The Patriot's Guide to Taking America Back Charles Kraut, 2011 Every American over the age of fifteen needs to read this book the Constitution of the United States is the most important political document in the history of the human race it enshrines natural rights instead of the terribly destructive human rights which are being forced upon us Very few Americans Understand The Constitution which is why our government has been able to trample and discard it with little or no protest The Patriot's Guide to Taking America Back explains in simple clear language exactly how far we have moved from the Constitution and why America faces so many problems today most of which have been caused by our government The Patriot's Guide offers a plan by which Americans may take America back To The Constitution and regain the sacred freedoms we seem to be willing to throw away If you think something is terribly wrong in America today you're right The Patriot's Guide will help you Understand The problem And The solution **We the People, Taking America Back** Polly Nicolay, 2008-02 Simple step by step solutions show the path to returning America to the land of Freedom of Religion According to the Holy Bible Social Issues *American Motorist*, 1924 **Peru To-day**, 1911 *American Agriculturist*, 1943 *American Economist*, 1899 Proceedings American Association for the Advancement of Science, 1899 American Series, 1892 **The American Medical Weekly** Edwin Samuel Gaillard, 1877 American Revisions and Additions to the Encyclopedia Britannica William Harrison De Puy, 1893 The Electrical Engineer, 1891 The American Cyclopaedia George Ripley, Charles Anderson Dana, 1883 **A Library of American Literature from Earliest Settlement to the Present Time** Edmund Clarence Stedman, Ellen Mackay Hutchinson, 1894 **The Illustrated American**, 1895 **Proceedings of the American Pharmaceutical Association at the annual meeting**, 1892 *The Lancet*, 1894 *The Bookman*, 1894 The American Annual Cyclopædia and Register of Important Events of the Year ..., 1873 **Annual Report of the Bureau of American Ethnology to the Secretary of the Smithsonian Institution** Smithsonian Institution.
