**Borrowed From Tomorrow - Tales Told By An Idiot** Vaibhav Srivastav,26-09-16 Meet the Thief who has an extraordinary thirst for stealing things beyond your imagination meet the book collector with a unique obsession eavesdrop on two Friends as they discuss the end of the world and accompany a man in search of a miracle cure for writer s block Take a tour along with ordinary women and men placed in extraordinary situations in this collection of short stories Dive deep and be intrigued by both the magical and mundane Lose yourself in a world much like ours but slightly stranger than our normal lives

*A Tale Told by an Idiot* N.C.C. McGowan,2010-06-02 In this quasi French farce masquerading as a novel we meet Courtney Farquhar Tremayne one hundred years young in the year 2000 and writing his memoirs about his ten odd and you can believe that they were exceedingly odd years touring with a second rate vaudeville troupe from approximately 1926 to 1936 Meet all of the interesting characters he knew from that magical medium now long departed There are Bud and Boz a dog act Bud is the trainer and Boz the dog although it was said that some were loathe to tell the difference Then there is one of the strangest acts ever to be seen on the vaudeville stage Nick Knack Paddywack and his Knockabout Kids a family acrobatic and comedy act Meet Malachi and Alewyn Malarkey Irelands version of George Burns and Gracie Allen Also on board is Charles Mammy Kaufman a blackface minstrel singer a type of act no longer seen on any stage whose not so secret secret is that he is contrary to the convention of the day for these mammy singers actually black Then there is Kelfer Milius the pompous star actor of the show And lastly is the beautiful and alluring to Courtney anyway Prudence Bernadette the shows star actress Follow them and all these other vaudeville misfits on their ten year excursion throughout countless Midwestern cow towns and backwater hamlets where they ply their trade and more often than not find themselves in sometimes precarious yet always comic circumstances beyond their control

*A Tale Told by an Idiot* Richard Taylor,2013-02-28 This is a story about one man s struggle to overcome class discrimination poverty and abandonment in order to achieve success wholeness and recognition It does not always make light reading but as with anything in life there are humorous elements A mixture of narrative storytelling and academic investigation provides the necessary balance for discussing a difficult subject From earliest childhood memories the reader is taken through the commotion of school life and ultimately beyond into the world of work There is a gradual reversal of roles as the ideas applied to the writer in his youth are turned outwards upon his entourage and subsequently the rest of society One need not always agree but hopefully the book will provide at the very least food for thought and demonstrate the limitations of any idea when taken to the extreme

Dad's Maybe Book Tim O'Brien,2019-10-14 Best selling author Tim O'Brien shares wisdom from a life in letters lessons learned in wartime and the challenges humor and rewards of raising two sons We are all writing our maybe books full of maybe tomorrows and each maybe tomorrow brings another maybe tomorrow and then another until the last line of the last page receives its period In 2003 already an older father National Book Award winning novelist Tim O'Brien resolved to give

his young sons what he wished his own father had given to him a few scraps of paper signed Love Dad Maybe a word of advice Maybe a sentence or two about some long ago Christmas Eve Maybe some scattered glimpses of their rapidly aging father a man they might never really know For the next fifteen years the author talked to his sons on paper as if they were adults imagining what they might want to hear from a father who was no longer among the living O'Brien traverses the great variety of human experience and emotion moving from soccer games to warfare to risqué lullabies from alcoholism to magic shows to history lessons to bittersweet bedtime stories but always returning to a father's soul saving love for his sons The result is Dad's Maybe Book a funny tender wise and enduring literary achievement that will squeeze the reader's heart with joy and recognition Tim O'Brien and the writing of Dad's Maybe Book are now the subject of the documentary film The War and Peace of Tim O'Brien available to watch at [timobrienfilm.com](http://timobrienfilm.com)
