Talk Of The Devil:

Speak of the Devil Joseph P. Laycock, 2020-01-20 *Speak of the Devil* is the first book length study of The Satanic Temple. Joseph Laycock a scholar of new religious movements contends that the emergence of political Satanism marks a significant moment in American religious history that will have a lasting impact on how Americans frame debates about religious freedom. Though the group gained attention for its strategic deployment of outrage it claims to have developed beyond politics into a religious movement. Equal parts history and ethnography *Speak of the Devil* demonstrates why religious Satanism is significant to larger conversations about the definition of religion, religious freedom and religious tolerance.
