The Changing Face of Madness Phillip Benedetto, 2000-09 Torn between her loyalty to her neo-nazi conspirators and her husband Jane Polansky becomes riddled with guilt. Although she married Robert Polansky, head of Diamond Tech to get at military secrets, she grows to love her husband, a man who espouses fine human qualities unlike the hatred and misery which encompassed Jane's life. Stored in the same location as the secrets is the world famous Polansky diamond collection sought after by organized criminals who will stop at nothing to get at those diamonds. Waiting in the background is a psychopath planning to strike out against the outsiders invading his tranquil community recently transformed into a high tech Mecca. Industrial espionage contributes to the plot by Breitling from Electropulse AG, a major world class weapons manufacturer who also wants those diamond lens secrets. Amidst it all is the discovery in Siberia of the world's largest diamond and Robert Polansky's attempt to acquire it. At Breitling's refuge on Great Albacore Cay in the Bahamas, submarine deployed Navy SEALs plan a strike. Who will be victorious? Does Jane find the love and security she craves? Who eventually ends up with all the wealth? How will it all end? Readers are kept on edge. Love, hate, adultery, revenge, international intrigue, robbery and murder all contribute to the suspense.

The Changing Face of World Missions (Encountering Mission) Michael Pocock, Gailyn Van Rheenen, Douglas McConnell, 2005-10-01 The dramatic changes that have taken place both in global society and in the church have implications for how the church does missions in the twenty-first century. These trends include the rise of postmodernism, the spiritual decline in the West and the advance of the gospel in the rest of the world and the impact of technology on society and missions. *The Changing Face of World Missions* is for the mission minded church leader or lay person who wants to understand these trends. Each chapter identifies and evaluates a trend, examines it in light of Scripture and proposes a practical response. Important terms are defined and sidebars help readers think through the issues on their own.
