*Excel Macros For Dummies* Michael Alexander, 2017-02-16 Save time and be way more productive with Microsoft Excel macros. Looking for ready made Excel macros that will streamline your workflow? Look no further! *Excel Macros For Dummies* 2nd Edition helps you save time, automate and be more productive even with no programming experience at all. Each chapter offers macros you can implement right away with practical exercises that extend your knowledge and help you understand the mechanics at work. You'll find over 70 of the most effective Excel macros for solving common problems and explanations of why and where to use each one plus invaluable guidance and step by step instruction for applying them effectively.

Microsoft Excel is the world's leading spreadsheet application and it supports VBA macros that allow you to customize the program and automate many common tasks. In no time you'll learn how to customize your applications to look and work exactly the way you want them to with simple, friendly walk-throughs that directly apply to real world tasks. Follow it through from start to finish or quickly look up problems as they occur. It's the perfect desk reference for all of your Microsoft Excel macros needs.

Immediately implement the given Excel macros. Work with workbooks, worksheets and ranges. Clean data, automate reporting and send email from Excel. Streamline your workflow. If you have an Excel problem, there's a macro to solve it and now you don't need to be a programmer to customize it for your own use. *101 Ready-To-Use Excel Macros* Michael Alexander, 2012-06-04 Save time and be more productive with this helpful guide to Excel macros. While most books about Excel macros offer only minor examples usually aimed at illustrating a particular topic, this invaluable resource provides you with the tools needed to efficiently and effectively program Excel macros immediately. Step by step instructions show you how to create VBA macros and explain how to customize your applications to look and work exactly as you want them to. By the end of the book you will understand how each featured macro works, be able to reuse the macros included in the book and online and modify the macro for personal use. Shows you how to solve common problems with the featured macros even if you lack extensive programming knowledge.

Outlines a problem that needs to be solved and provides the actual Excel macro as well as the downloadable code to solve the problem. Provides an explanation of how each macro works and where to use the macro. With *101 Ready to Use Excel Macros* Microsoft MVP Michael Alexander helps you save time, automate tasks and ultimately be more productive.
