Inside the California Food Revolution Joyce Goldstein,Dore Brown,2013-09-06 In this authoritative and immensely readable insider s account celebrated cookbook author and former chef Joyce Goldstein traces the development of California cuisine from its early years in the 1970s to the present when farm to table foraging and fusion cuisine are part of the national vocabulary Goldstein s interviews with almost two hundred chefs purveyors artisans winemakers and food writers bring to life an era when cooking was grounded in passion bold innovation and a dedication to flavor first The author shows how the counterculture movement in the West gave rise to a restaurant culture that was defined by open kitchens women in leadership positions and the presence of a surprising number of chefs and artisanal food producers who lacked formal training California cuisine challenged the conventional kitchen hierarchy and dominance of French technique in fine dining she explains leading to a more egalitarian restaurant culture and informal food scene In weaving the author s view of

California food culture with profiles of those who played a part in its development from Alice Waters to Bill Niman to Wolfgang Puck Inside the California Food Revolution demonstrates that in addition to access to fresh produce the region also shared a distinctly Western culture of openness creativity and collaboration Wonderfully detailed and engagingly written this book elucidates as never before how the inspirations that emerged in California went on to transform the eating experience throughout the U S and the world     *San Francisco 2021 - The Food Enthusiast's Long Weekend Guide* Andrew

Delaplaine,2020-09-13 There are many people who are enthusiastic about food the cooking of it the preparation of it the serving of it and let s not forget the eating of it But Andrew Delaplaine is the ultimate Food Enthusiast This is another of his books with spot on reviews of the most exciting restaurants in town Some will merit only a line or two just to bring them to your attention Others deserve a half page or more Exciting does not necessarily mean expensive The area s top spots get the recognition they so richly deserve and that they so loudly demand but there are plenty of sensible alternatives for those looking for good food handsomely prepared by cooks and chefs who really care what they plate up in the kitchen For those with a touch of Guy Fieri Delaplaine ferrets out the best food for those on a budget That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town perfect to wash down with a locally brewed craft beer Whatever your predilection or taste cuisine of choice or your budget you may rely on Andrew Delaplaine not to disappoint Delaplaine dines anonymously at the Publisher s expense No restaurant listed in this series has paid a penny or given so much as a free meal to be included Bon App tit     *Making Slow Food Fast in California Cuisine* Victor W. Geraci,2017-03-02 This book follows the development of industrial agriculture in California and its influence on both regional and national eating habits Early California politicians and entrepreneurs envisioned agriculture as a solution to the food needs of the expanding industrial nation The state s climate geography vast expanses of land water and immigrant workforce when coupled with university research and governmental assistance provided a model for agribusiness In a short time the San Francisco Bay Area became a hub for guaranteeing Americans access to a consistent quantity of quality foods To this end California agribusiness played a major role in national food policies and subsequently produced a bifurcated California Cuisine that sustained both Slow and Fast Food proponents Problems arose as mid twentieth century social activists battled the unresponsiveness of government agencies to corporate greed food safety and environmental sustainability By utilizing multidisciplinary literature and oral histories the book illuminates a more balanced look at how a California Cuisine embraced Slow Food Made Fast
