## **Journey Back From Hell An Oral History:**

[The Journey Back from Hell](#) Anton Gill,1991-09-01    [The Journey Back from Hell](#) Anton Gill,1988 This book is a record of oral history as the author recorded the personal testimony of over 100 survivors of the Nazi concentration camps in the course of his enquiry into how they have come to terms with their ordeals since World War II    **Stealth Altruism** Arthur B. Shostak,2017-07-12 Though it has been nearly seventy years since the Holocaust the human capacity for evil displayed by its perpetrators is still shocking and haunting But the story of the Nazi attempt to annihilate European Jewry is not all we should remember Stealth Altruism tells of secret non militant high risk efforts by Carers those victims who tried to reduce suffering and improve everyone s chances of survival Their empowering acts of altruism remind us of our inherent longing to do good even in situations of extraordinary brutality Arthur B Shostak explores forbidden acts of kindness such as sharing scarce clothing and food rations holding up weakened fellow prisoners during roll call secretly replacing an ailing friend in an exhausting work detail and much more He explores the motivation behind this dangerous behavior how it differed when in or out of sight who provided or undermined forbidden care the differing experiences of men and women how and why gentiles provided aid and most importantly how might the costly obscurity of stealth altruism soon be corrected To date memorialization has emphasized what was done to victims and sidelined what victims tried to do for one another Carers provide an inspiring model and their perilous efforts should be recognized and taught alongside the horrors of the Holocaust Humanity needs such inspiration    *The Blessed Abyss* Nanda Herbermann,2000-09-01 One woman s memories of her deportation to Ravensbrück Concentration Camp for Women in July 1941 On February 4 1941 Nanda Herbermann a German Catholic writer and editor was arrested by the Gestapo in Münster Germany Accused of collaboration with the Catholic movement Herbermann was deported to Ravensbrück Concentration Camp for Women in July 1941 and later released upon direct orders from Heinrich Himmler on March 19 1943 Although she was instructed by the Gestapo not to reveal information about the camp Herbermann soon began to record her memories of her experiences The Blessed Abyss was originally published in German under the imprint of the Allied occupation forces in 1946 and it now appears in English for the first time Hester Baer and Elizabeth Baer include an extensive introduction that situates Herbermann s work within current debates about gender and the Holocaust and provides historical and biographical information about Herbermann Ravensbrück and the Third Reich    **The Jewish Holocaust** Marty Bloomberg,Buckley Barry Barrett,1995-01-01 This expanded edition of the guide to major books in English on the Holocaust is organized into ten subject areas reference materials European antisemitism background materials the Holocaust years Jewish resistance    [The Jewish Book Guide](#) Wendy Bernstein Schauder,1990-05-01 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com)    **Holocaust Testimonies** Thomas Pegelow Kaplan,Wolf Gruner,Miriam Offer,Boaz Cohen,2025-05-15 Close to a time when there will be no more survivors to speak about their suffering this innovative study

takes much needed stock of the past present and future of Holocaust testimony Drawing from a vast range of witness accounts including a never before published survivor interview and carefully situating analysis within broader historical and political discourses this international team of scholars address many pertinent issues of testimony in the post witness age These include questions of representation and testimony form memory politics and the role of the witness the legacy of the Holocaust and impact on future generations the digital turn and issues of access and gender and testimony in the wake of MeToo Stressing the importance of re assessing re contextualizing and re presenting testimonies these essays make a powerful case for the ongoing centrality of witnesses and witnessing in Holocaust research education and memory In doing so Holocaust Testimonies skillfully paves the way for future research with survivor testimonies *Oral History*,2001

*On Listening to Holocaust Survivors: Beyond Testimony* Henry Greenspan,2010-11 Challenges conventional wisdom and wisely transforms the process of discerning and responding to what survivors of the Holocaust and other genocides have to say *Foreign Affairs*,1989 *On Listening to Holocaust Survivors* Henry Greenspan,1998-09-30 How do Holocaust survivors find words and voice for their memories of terror and loss This landmark book presents striking new insights into the process of recounting the Holocaust While other studies have been based typically on single interviews with survivors this work summarizes twenty years of the author's interviews and reinterviews with the same core group In this book therefore survivors recounting is approached not as one time testimony but as an ongoing deepening conversation Listening to survivors so intensively we hear much that we have not heard before We learn for example how survivors perceive us their listeners and the impact of listeners on what survivors do in fact retell We meet the survivors themselves as distinct individuals each with his or her specific style and voice As we directly follow their efforts to recount we see how Holocaust memories challenge their words even now burdening survivors speech distorting it and sometimes fully consuming it It is not a story insisted one survivor about his memories It has to be made a story *On Listening to Holocaust Survivors* shows us both the ways survivors can make stories for the not story they remember and just as important the ways they are not able to do so **The Last Great Victory** Stanley Weintraub,1996 From the inner councils of the Japanese to the fateful decisions to atom bomb Hiroshima and Nagasaki Stanley Weintraub brings to life this watershed month in which empires fell old orders passed away and a new age began The best account yet of the war's final month Newsweek photos 3 maps

**Bibliographic Index**,1989 *The Life and Times of Niccolò Machiavelli* Pasquale Villari,1898 **Bibliography On Holocaust Literature** Abraham J Edelheit,Hershel Edelheit,1990 A second supplement which contains 4000 new entries to keep pace with the outpouring of literature on the Holocaust Readers attention is directed to new materials and to items

newly available including books pamphlets and journal articles many of which are catalogued for the first time When Truth was Treason Blair Holmes, Alan Frank Keele, 1995 A chilling true story of four courageous teenagers who defied the Nazis Based on a first person account by one of the surviving conspirators Karl Heinz Schnibbe a working class son of the city of Hamburg this book provides a vivid chronicle of the brave young men who faced the awful tyranny of a nation's darkest hour 20 photos
