Les Cowboys Du Sexas Calamity Jayne:

Film Composers in America Clifford McCarty, 2000 *Film Composers in America* is a landmark in the history of film. Here renowned film scholar Clifford McCarty has attempted to identify every known composer who wrote background musical scores for films in the United States between 1911 and 1970. With information on roughly 20 000 films the book is an essential tool for serious students of film and a treasure trove for film fans. It spans all types of American films from features shorts cartoons and documentaries to nontheatrical works avant garde films and even trailers. Meticulously researched over 45 years the book documents the work of more than 1 500 composers from Robert Abramson to Josiah Zuro including the first to score an American film Walter C Simon. It includes not only Hollywood professionals but also many composers of concert music as well as popular music and other genres whose cinematic work has never before been fully catalogued. The book also features an index that lets readers quickly find the composer for any American film through 1970. To recover this history much of which was lost or never recorded McCarty corresponded with or interviewed hundreds of composers arrangers orchestrators musical directors and music librarians. He also conducted extensive research in the archives of the seven largest film studios Columbia MGM Paramount RKO 20th Century Fox Universal and Warner Bros and wherever possible he based his findings on the most reliable evidence that of the manuscript scores and cue sheets as opposed to less accurate screen credits. The result is the definitive guide to the composers and musical scores for the first 60 years of American film.

Country Music Records Tony Russell, Bob Pinson, 2004-10-07 More than twenty years in the making *Country Music Records* documents all country music recording sessions from 1921 through 1942. With primary research based on files and session logs from record companies interviews with surviving musicians as well as the 200 000 recordings archived at the Country Music Hall of Fame and Museum's Frist Library and Archives this notable work is the first compendium to accurately report the key details behind all the recording sessions of country music during the pre World War II era. This discography documents in alphabetical order by artist every commercial country music recording including unreleased sides and indicates as completely as possible the musicians playing at every session as well as instrumentation. This massive undertaking encompasses 2 500 artists 5 000 session musicians and 10 000 songs. Summary histories of each key record company are also provided along with a bibliography. The discography includes indexes to all song titles and musicians listed.
