Wilkins, 2015-06-28 Excerpt from Italian Short Stories The six stories here printed have been chosen as excellent in themselves as representative of the leading modern Italian short story writers and as affording varied pictures of life in different parts of Italy The order in which they are arranged serves in general to indicate their relative difficulty besides giving place aux dames The first two stories are simple in wording and in construction and in order to make them available for effective use at the beginning of a course they have been given very full grammatical notes and the irregular verb forms which occur in them except the forms of avere and essere have been separately entered in the vocabulary The texts have been taken from current Italian editions and no changes have been made in them except for the correction of obvious errors The introductions dealing with Serao Deledda Fucini and d'Annunzio are by Mr Altrocchi The other two introductions and the notes are by Mr Wilkins The introductions for Fogazzaro and Fucini mention all of their collected works The other writers have produced so much that complete enumeration seemed inadvisable and only their more important books are mentioned Continuous and detailed bibliographies of their writings and of critical studies dealing with them appear in the several volumes of La Critica a review founded in 1903 and directed by Benedetto Croce About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Cart of Many Colors a Story of Italy (Classic Reprint)* Nannine Lavilla Meiklejohn, 2015-07-08 Excerpt from The Cart of Many Colors a Story of Italy Dear Schoolmate There is no need to ask you why we have an Italian story in the Schoolmate Books I can already hear you saying Because an Italian discovered America Christopher Columbus a Genoese in 1492 And also because America takes its name from another Italian Amerigo Vespucci a Florentine who followed Columbus across the ocean in 1499 Yes you know your lesson very well These are surely the best of reasons for having an Italian story in our series But they are not the only ones Columbus and Vespucci are not the only Italians who ever discovered America About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Italian Short Stories for Beginners* 10-Minute Language Learning, 2020-09-28 WHAT IS THE BEST WAY TO MASTER ONE OF THE WORLD'S MOST BEAUTIFUL
