Stop Working Out

Keith Ruckhaus

Stop Working Out:

When God Stops Working Keith Ruckhaus, 2002-11-15 Christians today are desperate for biblical answers to the exhaustion that so many of us suffer from the pace and demands of modern life Keith brings words of liberation and challenge to us all articulating in this thoughtful exposition of scripture a higher demand than the clamor of culture Savor in these pages the life giving word of God s command that we find and make time for rest Author and Pastor Dave Cheadle Denver Colorado Ruckhaus s study calls us back to the basics and in so doing calls into question the very way we do our faith The subject of God s Sabbath is therefore not just another doctrine or issue How we grasp and understand this Day of days defines the kind of discipleship we are willing to profess and practice This book will exact an effort on your part which means it will demand your time Alas time you perhaps don t have Ah this could then be the first step toward keeping the Sabbath You will have to lay aside something if you are to grasp the significance of Ruckhaus s insights Don t just read this book enter it Let it affect you For it demands a response Take it up into your life and your lifestyle Enter the rest God is giving And don t forget to take others along Charles E Moore Plough Publishing Spring Valley Bruderhof PA

[The New Science of Fitness](#) Linda H. Carden, 2021-08-29 The New Science of Fitness reveals the Truth of our Body and a path to create beauty amazing health and effortless movement that is completely opposite to everything we ve been taught All is energy and it is our thought energy that governs our body energy It is time for our world to shift from antiquated beliefs about ourselves our bodies in particular and begin to understand the Source and power of our thoughts as the creative energy of our bodies and our lives Linda Carden had memorable opportunities to speak with both Jean Houston and Neale Donald Walsch in reference to the limitless nature of our bodies Jean responded Please DO NOT attempt to walk on water and Neale responded Please DO NOT jump off the Empire State Building She was disgruntled with both responses Neither the spiritual community nor the fitness industry

is conveying what she believes to be a higher truth for our bodies the oneness of mindbodyspirit After more than twenty years divine timing brings her truth to light Christian Agnostic Dustin Lawson,2012-01-24 Could it be true that Jesus requires his followers to admit room for doubt in him According to this book yes Lawson writes in Christian Agnostic Greatness in order to be great must have a great adversary Who would Luke Skywalker be without Darth Vader Who would Rocky be without Apollo Creed Who would Winston Churchill be without Hitler Would we ever have known who David was without Goliath What would faith be without doubt Where maybe no other religious book does the Bible understands that even though faith and doubt are great adversaries faith loves doubt because faith loves the fight and knows that it could not be great without uncertainty More than that the Bible sees doubt as an ally because it knows that if doubt could be eliminated and true certainty attained then faith the resource that fuels the Bible s followers could not exist for there can be no faith where there is no doubt The majority of the church and the world at large views faith as a resource that erases doubt and decides truth This misconception has caused much of the Christian world for most of its history to embrace a method of searching for truth that is weak and lazy This book shows that despite the church s mistaken belief about the nature of faith the Bible understands how to search for truth with the legitimacy that only comes from having the courage to be honest about the room for doubt present wherever faith is used to believe and then being open to challenging one s own beliefs wherever that room for doubt exists In recent decades millions have walked away from the church because they think the Bible lacks credibility What they do not realize is that the Bible has credibility but that the Christian world holds back its legitimacy instead choosing to unintentionally make the Bible appear weak because it refuses to embrace the more honorable method of searching for truth that the book promotes Christian Agnostic will show the world many of the Bible s strengths that the church has been unknowingly concealing **The Works of the Right Reverend Ezekiel Hopkins, D.D.
