some on us is a good deal better than most and that s something arter all As for your book wot you have to do is to give em a little blood now and then with plenty of love and you can t go far wrong Now whether the Tinker s theory for the writing of a good novel be right or wrong I will not presume to say But in this book that lies before you though you shall read if you choose of country things and ways and people yet because that part of my life herein recorded was a something hard rough life you shall read also of blood and because I came in the end to love very greatly so shall you read of love Wherefore then I am emboldened to hope that when you shall have turned the last page and closed this book you shall do so with a sigh P V
