## **The Called And Chosen:**

**Called, Chosen, and Faithful** Betty Norcross,2003    *The Called, the Chosen* Ken McFarland,2006    The Holy Catholic Church Edward Meyrick Goulburn,1874    **Called Chosen and Faithful** Warren E Cole,2017-03-14 This book is based on Rev 17 14 and goes in great depth teaching about who the Called Chosen and Faithful are and why it's important The Called Chosen and Faithful are those who overcome and stand with Christ in the end times This book also teaches how to recognize the call of God on your life how to transition from being called to chosen and last it explains what it means to be faithful and why it is so important    Notes on the Parables of Our Lord Richard Chenevix Trench,1886    **The Called; the Chosen; the Faithful** Lucy Harris,2014-08-23 WHOLE WITH JESUS MINISTRIES PUBLICATION To join our BLOG view a VIDEO PRESENTATION or for a LOOK INSIDE go to the Book's HomePage [www.wholewithjesus.com](http://www.wholewithjesus.com) CCFTrending All Glory Honour and Power be unto our Lord Jesus and unto our Father in Heaven by whose Spirit this Book has materialized Only God knew this is the right time for release of certain content that will disrupt the creeping anti Christic deceptions in our day Unplanned and unexpected the Holy Spirit has led the assignment to write this Book as another instrument that undermines the control of twisted doctrine and false messiahs claiming to be chosen and advances the agenda of the Kingdom of the living God Certainly an important benefit from the Book is you will grow to better understand that God has deliberately chosen you for special communion for all eternity Biblical texts substantiate that such is set in motion when we receive JESUS as our eternal LEADER and honour Him in this Office Essentially when you acknowledge that you are of God with His guidance you will experience progressive success in all areas of life Perhaps you already function in the gifts skills or talents that are natural to you and perhaps you are completing the assignments God intended However if you are working your assignments without consciously connecting them to your living Father His intervention that would maximize your potential and outcomes could be absent In other words operating in your assignments without acknowledging that your abilities and achievements are from God translates into weakened potential or in several cases misguided use of skill and talent Furthermore The Called The Chosen The Faithful will equip you in these times with the essential knowledge you need to hold fast to KING JESUS as the only one chosen to lead us in Heaven and earth After your read therefore you cannot easily be captivated and hoodwinked into following any anti Christic movement or personage You will definitively and perceptively know when something or someone is not of God in Heaven and be able to better protect and fortify yourself loved ones and others with whom you have influence In fact you will expressly reject those with cultish elite teachings that exclude and divide peoples and nations into false religions and societies that cultivate distorted mindsets When the controversy arises as to who God chooses you will be able to respond with clarity and to rightly explain the true meaning of Matthew 22 14 For many are called but few are chosen two phrases that have consistently been misunderstood and misapplied You will also gain insight into God's Master Plan for the earth that encompasses all people those who have ever lived those living today and to

live in the future From this perspective you will increase awareness of the Kingdom of God in its operation here and now and into which you perfectly fit All in all The Called The Chosen The Faithful is a fantastic evangelistic tool not only from the view of explaining essential principals of the Bible but also to further enable the Body of Christ to effectively share the Gospel of Lord Jesus It can even be additional inspiration to those who are indecisive about receiving the Lord and especially to those still confused about eligibility for and entrance to Heaven This Book is intended to be among others that focus on the truth of the Supreme Office of Jesus Christ who lovingly provides what we need informs all that we are and the levels to which we will excel if we allow Him into our lives And it is intended to open eyes to the truths of our glorious heritage in Him particularly in this season of environmental and economic instability where His presence and guidance make an outstanding difference
