The Button Men:

The Button Man Wayne DePriest, 2014-09-06 The Button Man takes a button when he takes a victim And he takes a victim whenever he wants The authorities don't know he exists though he leaves them ample evidence of his existence They just don't see it As a rookie patrolman Detective Dan Finney met The Button Man in Maria Kuroshchepova's apartment Finney discovered her body tucked neatly into her bed A decade later the case is still unsolved and Detective Finney has seen the handiwork of The Button Man again and again without knowing it Saddled with a partner who seems hellbent on destroying both their careers and a girlfriend who just might take what sanity he has left Finney gradually becomes aware of a sinister force loose in the city a man who has gotten away with murder time and time again As the picture of The Button Man becomes clearer Finney comes face to face with his worst nightmare
