**The Feminist Killjoy Handbook** Sara Ahmed, 2023-03-02 Not only a dazzling analysis of the workings of sexism but a balm for the soul It will teach you how to survive and how to transform the world Hannah Dawson We have to keep saying it because they keep doing it Do colleagues roll their eyes in a meeting when you use words like sexism or racism Do you refuse to laugh at jokes that aren't funny Have you been called divisive for pointing out a division Then you are a feminist killjoy and this handbook is for you The term killjoy has been used to dismiss feminism by claiming that it causes misery But by naming ourselves feminist killjoys we recover a feminist history turning it into a source of strength as well as an inspiration Drawing on her own stories and those of others especially Black and brown feminists and queer thinkers Sara Ahmed combines depth of thought with honesty and intimacy The Feminist Killjoy Handbook unpicks the lies our culture tells us and provides a form of solidarity and companionship that can be returned to over a lifetime **The Killjoy** Anne Fine, 1986 Kriminalroman

**Inside Killjoy's Kastle** Allyson Mitchell, Cait McKinney, 2019-09-15 Hundreds of years of ridicule persecution erasure misunderstanding and institutionalization could put anyone in a bad mood Killjoy invites you into her kastle for a queer exorcism and celebration of the past Lesbian feminist histories can have a haunting effect on the present This book explores the making and experience of Killjoy's Kastle an immersive walk through installation and performance artwork by Allyson Mitchell and Deirdre Logue that materializes the frightfully acrimonious past for today Inspired by Evangelical Christian hell houses the exhibition has been staged in four cities so far Toronto London Los Angeles and Philadelphia inviting visitors to interact with humorous and frightening manifestations of the spirits that haunt feminist and queer history Whereas traditional hell houses set out to scare and convert Killjoy's Kastle cheekily aims to provoke and pervert giving expression to old and new anxieties and creating a space for critique affect and discussion Inside Killjoy's Kastle fills this space by exploring the kastle's theoretical and political legacies in chapters by queer and feminist scholars and in vignettes by artists who participated in the project The many colourful photos in the book also bring Killjoy's Kastle to life offering an important visual context By taking the kastle as a starting point the contributors consider the role of lesbian feminist histories and direct action aesthetics in contemporary communities particularly the ways in which political artwork can produce new ways of knowing about the past **Queer exceptions** Stephen Greer, 2018-11-23
