Claire, a nanny, meets Adam and is instantly taken by his model good looks but she collects herself and goes on her way. One night, Claire's employer tries to force himself on her, makes false accusations against her, and then kicks her out. She needed a job. He needed control. Neither expected a contract would change everything. Isis is strong, determined, and desperate for a fresh start. When she walks into São Paulo's most powerful textile empire to apply for a secretary position, she doesn't expect to face Apollo, the arrogant, demanding, and sinfully handsome CEO who rules his business with an iron fist. Apollo never planned on hiring someone like Isis, inexperienced, outspoken, and far too tempting for his carefully ordered world. But against his better judgment, he gives her the job, and suddenly his life is turned upside down. Their daily battles are chaos, their chemistry undeniable. When a scandalous misunderstanding threatens both their futures, Apollo offers Isis a shocking solution: a marriage contract. For him, it's a way to control the situation. For her, it's the only chance to save her home. But what starts as a lie soon becomes dangerously real. Desire blurs the lines, secrets ignite, and every glance, every touch, pulls them deeper into a passion neither of them expected. Is this marriage pact the biggest mistake of their lives or the beginning of something that was meant to be? **The Changing Nature of The Marriage Contract** Dr. Geraldine Sgarp, 2017-10-01 In Western liberal democracies, changes in the nature of the marriage contract are emerging. With the increasing demand for a partnership of equals with shared responsibilities, the traditional marriage contract is being replaced by a more democratic marriage contract. The marriage contract is changing from one of unequal

power relations in which men hold power over women to one of equal power relations with an equal distribution of power. The changing nature of interpersonal relations is resulting in a significant shift of power in marriage and in the family. These changes involve a shift of power which is not without repercussions. **The Marriage Pact** LAURA.

His recently deceased grandfather who had nothing going for him except money left Liam a house with strings attached. In order to inherit the new home Liam has to get married and stay that way for five years. Liam proposes an arrangement for his and Ariel's benefit: they'll wed and once the house is his if they want to stay roommates they can and if they want to divorce and sell the house they can split the assets. In the meantime Ariel will be safe from the people in her mother's world. Ariel has no issue with the idea of being roommates with Liam. After all they've known each other since ninth grade. It's not like marriage will change their relationship. **The Marriage Pact** M. J. Pullen, 2016.
