Fall From Grace The Untold Story Of Michael Milken:

Fall from Grace Fenton Bailey,1992 One of the most reviled figures in recent history megamillionaire financier Michael Milken created a 200 billion bond market before a jail sentence cashed in his chips for 10 years But was Milken a media scapegoat exploited and crucified by people more ruthless and savvy at the publicity game than he Former Drexel Burnham employee Fenton Bailey provides a side of the spectacular Milken story that has rarely been heard Photographs *Fall from Grace : the Untold Story of Michael Milken* Alan M. Dershowitz,1992

White-Collar and Corporate Crime Gilbert Geis,2011-10-17 This reference guide documents white collar crimes by individuals and businesses over the past 150 years offering the most comprehensive array of documents and interpretations available From Gilded Age railroad scandals to the muckraking period and from the Savings and Loan debacle to corporate fallout during the recent economic meltdown some individuals and companies have chosen to take the low road to achieve the American dream While these offenders throughout modern history may have lacked ethics morals or good judgment they certainly were not wanting in terms of creativity White Collar and Corporate Crime A Documentary and Reference Guide traces the fascinating history of white collar and corporate criminal behavior from the 1800s through the 2010 passage of the Dodd Frank financial reform measure Author Gilbert Geis scrutinizes more than a century of episodes involving corporate corruption and other self serving behaviors that violate antitrust laws bribery statutes and fraud laws The various attempts made by authorities to rein in greed and the methods employed by wrongdoers to evade these controls are also discussed and evaluated **Encyclopedia of White-Collar and Corporate Crime** Lawrence M. Salinger,2013-06-14 Since the first edition of the Encyclopedia of White Collar and Corporate Crime was produced in 2004 the number and severity of these crimes have risen to the level of calamity so much so that many experts attribute the near Depression of 2008 to white collar malfeasance namely crimes of greed and excess by bankers and financial institutions Whether the perpetrators were prosecuted or not white collar and corporate crime came near to collapsing the U S economy In the 7 years since the first edition was produced we have also seen the largest Ponzi scheme in history Maddoff an ecological disaster caused by British Petroleum and its subcontractors Gulf Oil Spill and U S Defense Department contractors operating like vigilantes in Iraq Blackwater White collar criminals have been busy and the Second Edition of this encyclopedia captures what has been going on in the news and behind the scenes with new articles and updates to past articles **Ferrara on Insider Trading and the Wall** Ralph C.

Ferrara,Herbert Thomas,Donna M. Nagy,2024-11-28 The authors analyze the impact of the Dodd Frank Wall Street Reform and Consumer Protection Act the Sarbanes Oxley Act and SEC regulations regarding selective disclosure and insider trading

Liberty Means Freedom for All Steven H. Propp, 2012-11-16 Thomas Anderson has just graduated from CSU Stentoria with his degree in Political Science Its an election year and as a young progressive in California who has been raised by equally progressive parents he is very much concerned with the political issues currently being discussed in the mass media A chance encounter with a fellow graduate named Kelly Kelso however shakes up his settled view of the world He is challenged to examine the rising number of alternatives to the two party system presented by third party movements such as the Libertarian Party and the Green Party and is forced to acknowledge that there is far more to politics than simply Democrat versus Republican and liberal versus conservative Thomas delves energetically into not only the growing Libertarian movement but the free market perspective of the Austrian School of economics as well as the rigid yet compelling view of Ayn Rands philosophy of Objectivism His explorations grow wider now encompassing the Tea Party movement and the Christi an Right tax resisters and gun rights advocates survivalists and militia members anarchists communists and Democratic Socialists as well as the Occupy Wall Street movement He debates the radical environmental views of animal welfare and animal rights advocates and challenges opponents of corporate globalism as well as deniers of global warming as he struggles to reformulate and articulate his own developing beliefs while coping with a sea of conflicting

ideas and opposition But this abstract political theory is brought into sharp encounter with concrete political reality when Thomas hears a news report of an armed conflict with authorities taking place just outside of town involving someone with whom he has become emotionally involved *Harvard Business School Core Collection* Baker Library,1999 **The Tyranny of Good Intentions** Paul Craig Roberts, Lawrence M. Stratton, 2000 The concept of identity has become widespread within the social and behavioral sciences in recent years cutting across disciplines from psychiatry and psychology to political science and sociology All individuals claim particular identities given their roles in society groups they belong to and characteristics that describe themselves Introduced almost 30 years ago identity theory is a social psychological theory that attempts to understand identities their sources in interaction and society their processes of operation and their consequences for interaction and society from a sociological perspective This book describes identity theory its origins the research that supports it and its future direction It covers the relation between identity theory and other related theories as well as the nature and operation of identities In addition the book discusses the multiple identities individuals hold from their multiple positions in society and organizations as well as the multiple identities activated by many people interacting in groups and organizations And it covers the manner in which identities offer both stability and change to individuals Written in an accessible style Identity Theory makes step by step the full range of this powerful new theory understandable to readers at all levels **The publishers weekly** ,1992 **Harvard Business School Core Collection** 1995 Baker Library,1995 **Encyclopedia of the Reagan-Bush Years** Peter B.
