## **Social Security Inequality And The Third World:**

**Social Security, Inequality, and the Third World** James Midgley,1984 Study on the need to modify social policy and social security to promote egalitarian economic development and combat underdevelopment in developing countries examines obstacles to social protection of low income groups and improvement in their standard of living proposes various ways of achieving income redistribution incl Land reform progressive taxation improved social services etc Bibliography

Social Security in Global Perspective John E. Dixon,1999-07-30 Describes and evaluates the social security systems in 172 countries    **Social Security in Developing Countries** Andre Leliveld,1994 Focuses on the rural homestead as the most important social security mechanism in rural Swazi society Analyses in particular the composition and economic situation of the homestead the extent to which resources are exchanged between active and non active members and hence the capacity of the homestead to operate as a social security mechanism    *Social Security Systems in Developing Countries* Bernd Schubert,Geert Balzer,1990    *Symposium on Social Security ,1993 Challenges to Social Security* James

Midgley,Martin B. Tracy,1996 Social security systems throughout the world are faced with unprecedented challenges in response to growing criticisms about unacceptable expenditures for government programs and questions about the appropriate role of government in providing social protection through social insurance and social assistance programs The challenges are also a result of dramatic demographic social and cultural changes around the world A variety of radical and modest reform measures are currently being discussed which have the potential of significantly impacting the means of income and health care for the elderly children and families This book examines these challenges from the perspective of local analysts in both industrial and economically developing nations The purpose of the analysis is to promote a better understanding of the integral role that social security plays in the social and economic development of diverse societies The chapters examine the wide range of challenges to social security in Britain Egypt and Turkey the Netherlands Poland the United States Uruguay and Zimbabwe An overview of the most prevalent issues are discussed including fiscal viability economic development equity administration public confidence and the role of social security as the primary government instrument for social protection against the loss of income and health Essential reading for students and researchers in social policy gerontology and comparative social welfare    *Social Policies for the Elderly in the Third World* Martin

Tracy,1991-01-30 This book introduces a problem solving model to cross national studies of social programs for the elderly in economically developing nations the Third World a term that is used here only as a designation of unspecified relatively lower levels of industrial and economic development Current models of cross national analysis tend to focus on theory testing and description they fail to provide the practical information that indigenous policymakers need to decide whether another nation's policy program or provision is appropriate to their own country    Current Issues in Social Security Karl Theodore,2000

Rethinking Social Security ,1992    **Policy Studies Review ,1993** Some vols include special issues    **Alternatives to**

**Social Security** James Midgley, Michael W. Sherraden, 1997 Few days pass without front page newspaper articles about the disarray in the American social security system and the oncoming crisis of exploding costs and imbalance between workers and retirees New proposals to address these issues constantly surface from presidential candidates Congress and interest groups Yet few recognize that in the second half of the twentieth century there has been a global expansion of social security systems and there may be lessons to be learned from other societies This collection of essays is designed to examine the diverse approaches developed in Australia Britain Chile Hong Kong Kenya and Singapore By analyzing different approaches and different degrees of success those debating public policy may find alternatives that can be adapted to meet American social needs Midgley and Sherraden have drawn together experts on the systems developed in Australia Britain Chile Hong Kong Kenya and Singapore they explore the different approaches and the different degrees of success these societies have confronted An international perspective can enhance understanding of the problems and offer a sound basis for evaluating policy proposals that may reform the social security system Scholars researchers policymakers and the reading public will find this a stimulating collection As Senator John Breaux notes This book is essential reading for anyone serious about addressing the inevitable problems that will face the U S Social Security system

Abstracts on Rural Development in the Tropics, 1986    Manpower Journal, 1994    **Globalization and the Race to the Bottom in Developing Countries** Nita Rudra, 2008-09-25 Challenges conventional wisdoms surrounding globalisation's effects on developing countries suggesting that the real losers are the middle classes

**Third World Planning Review**, 1985    Social Security Law M. P.

Olivier, 1999    Globalization and Social Policy in Africa Tade Akin Aina, C. S. L. Chachage, Elisabeth Annan-Yao, 2004 Drawing for the most part on empirical and historical studies the contributors elucidate how ordinary African understand confront and relate to the complex and competing forces of globalisation They examine how contemporary and historical dynamics have shaped the ways in which globalisation is interacting with and defining oft neglected areas of social policy The authors engage with and question current dominant orthodoxies showing how prevailing economic thinking particularly that of the dominant multilateral institutions has undermined a sense of the importance of social policies relevant to a mode of economic development attuned to social transformation in Africa

**A Comparative Analysis of the Development of Social Security Systems in Taiwan and Five Industrial Democracies** Li-Yeh Fu, 1990    **Bibliographie der Wirtschaftswissenschaften**, 1985    American Book Publishing Record, 1990
