

## Materialism

The desire to accumulate wealth and obtain satisfaction through material is what governs the minds of people.

## Corporatocracy

They control the issuance of money, distribute wealth from the bottom up. They buy politicians, shape public opinion.

## Government

They use public institutions to control the people.

## People

They have a little power over their own lives.

# Social Hierarchies

**Roland Mousnier**

## **Social Hierarchies:**

Gender Regulation, Violence and Social Hierarchies in School Victoria Rawlings, 2016-11-17 This book investigates the reasons why the traditional psychological understanding of bullying fails those affected and deconstructs how bullying is shaped by prominent discourse By drawing on poststructuralist feminist theory Victoria Rawlings highlights the social and cultural inequalities too often forgotten in analysis of aggressive behaviour in schools and places particular emphasis on gender and sexuality as facilitating and constraining forces within school environments and bullying discourses This book provides a necessary assessment as to why current anti bullying approaches are failing and offers an alternative explanation as to how and why bullying occurs This is a timely and authoritative study which is based on qualitative research including interviews and group sessions which are used to emphasize the real life experiences of young people in schools today Interdisciplinary in nature this book has a broad appeal and will be of special interest to scholars in the fields of gender and sexuality studies sociology and education

**The Logic of Social Hierarchies** Edward O. Laumann, Paul M. Siegel, Robert William Hodge, 1970

**Social Hierarchies, 1450 to the Present** Roland Mousnier, 1973 Textbook comprising a social research study of social stratification and the classification of social structures from 1450 to the present argues that there are three main ways in which societies may be organized 1 by caste 2 by social class and 3 by order or social role and provides a typology of the main kinds of order based society using primarily historical examples Bibliography pp 197 to 200 and references

Theorising Identity and Subjectivity in Educational Leadership Research Richard Niesche, Amanda Heffernan, 2020-03-11 Theorising Identity and Subjectivity in Educational Leadership Research brings together a range of international scholars to examine identity and subjectivities in educational leadership in new and original ways The chapters draw on a variety of approaches in theory and method to demonstrate the important new developments in understanding identity and subjectivity beyond the traditional ways of understanding and thinking about identity in the field of educational leadership The book highlights empirical theoretical and conceptual research that offers new ways of thinking about the work of educational leaders The authors take critical approaches to exploring the influences of gender race sexuality class power and discourse on the identity and subjectivity formation of educational leaders It provides global perspectives on educational leadership research and researchers and offer exciting new approaches to theorising and researching these issues This book will appeal to researchers students and professionals working in the fields of educational leadership and sociology and the chapters within offer readers new perspectives in understanding educational leaders their work and their identities

*That There May Be Equality* L.L. Welborn, 2023-08-15 In the context of growing inequality in the twenty first century *That There May Be Equality* seeks to give new audibility to Paul's appeal to the principle of equality in the

collection for the poor L L Welborn traces the history of the concept of equality in Greek history in order to convey the potency of the idea which Paul invokes He analyzes the structural inequality of the Roman economy particularly that of Roman Corinth and traces the emergence of Paul s concern about inequality in the ekklesia of Christ believers at Corinth Welborn then analyzes Paul s invocation of the principle of equality in his appeal for partnership in the collection for the poor in 2 Corinthians 8 and 9 bringing Paul s appeal to equality into the present day crisis of global inequality

**Hierarchies in Action** Michael William Diehl,2000

**Just Hierarchy** Daniel A. Bell,Wang Pei,2022-05-10 A trenchant defense of hierarchy in different spheres of our lives from the personal to the political All complex and large scale societies are organized along certain hierarchies but the concept of hierarchy has become almost taboo in the modern world Just Hierarchy contends that this stigma is a mistake In fact as Daniel Bell and Wang Pei show it is neither possible nor advisable to do away with social hierarchies Drawing their arguments from Chinese thought and culture as well as other philosophies and traditions Bell and Wang ask which forms of hierarchy are justified and how these can serve morally desirable goals They look at ways of promoting just forms of hierarchy while minimizing the influence of unjust ones such as those based on race sex or caste Which hierarchical relations are morally justified and why Bell and Wang argue that it depends on the nature of the social relation and context Different hierarchical principles ought to govern different kinds of social relations what justifies hierarchy among intimates is different from what justifies hierarchy among citizens countries humans and animals and humans and intelligent machines Morally justified hierarchies can and should govern different spheres of our social lives though these will be very different from the unjust hierarchies that have governed us in the past A vigorous systematic defense of hierarchy in the modern world Just Hierarchy examines how hierarchical social relations can have a useful purpose not only in personal domains but also in larger political realms
