Social Issues For Carers Towards Positive Practice:

Social Issues for Carers Richard Webb, David Tossell, 1999 The new edition of this textbook addresses many of the key issues concerning social care and social work The authors focus on social inequality within British society looking in particular at the controversies surrounding the social issues of discrimination against certain individuals and discusses positive ways of combating the marginalization and oppression of some social groups Each topic is investigated from the point of view of their role in the wider context of society as a whole Community Palliative Care Sandra Aitken, 2009-04-13 Community Palliative Care examines the complex support and information needs of seriously ill patients and their families and will encompass not only the patient's journey but that of the family during the illness trajectory and into the bereavement period The text is divided into three sections professionals patients and carers The first section discusses the roles and contributions made by other members of the primary health care team and examines the role of the nurse Section two explores the psychosocial support needed by patients receiving palliative care and looks at the community palliative care clinical nurse specialists role in relation to psychological as well as practical problems surrounding a life threatening illness The final section will look at the needs of the family and carers and the support that the community palliative care clinical nurse specialist can offer to the individuals Included in this segment will be the complex issues faced by carers in relation to the changing roles within the family children death and bereavement **Chronic Illness and Disability** Esther Chang, Amanda Johnson, 2014 This text provides evidence based principles for practice for chronic illness and disability It provides a solid theoretical and practical foundation for students in their 2nd and 3rd years The book includes a holistic framework for major and common chronic illness and disability **A life like any other?** Great Britain: Parliament: Joint Committee on Human Rights, 2008-03-06 **Informal STEM Learning at Home and in Community Spaces** Bradley Morris, Brenna Hassinger-Das, Rachael Todaro, Jennifer DeWitt, 2024-03-22 Children in Western countries spend only about 20% of their waking time in school Meltzoff et al 2009 Leveraging the 80% of time that they spend outside of school can provide children with opportunities to engage in meaningful authentic STEM learning experiences with family members other caregivers and children STEM learning and readiness go beyond acquiring content knowledge to include interest engagement and motivation for STEM learning as well as the formation of a STEM identity To date there has been a dearth of research focusing on children's informal STEM experiences when compared to formal school based STEM learning experiences This Research Topic focuses attention on the authentic everyday experiences of children and how these experiences provide opportunities for STEM learning engagement and identity In addition these papers will explore how these everyday experiences can be leveraged and augmented to promote STEM learning and engagement through culturally relevant design and implementation **The Case of Social Emotional Learning: Evidence-Based Practices** Pedro Rosário, Carmel Cefai, 2024-09-20 At the end of the last century social emotional learning SEL emerged as a relevant theme

in education all over the world What is SEL SEL may be defined as a multidimensional construct orchestrating individuals ability to identify and manage emotions feelings and concern for others as well as to organize and manage behaviors toward goals solve problems and develop positive relationships SEL has been gaining growing popularity among researchers and practitioners Still there is a reasonable degree of ambiguity regarding the concept In fact the term is often used as an umbrella for many types of programs and interventions from distinct areas such as school public health mental health or character education addressing the vulnerability of children and youth to various social and psychological problems What is more topics covered under the SEL umbrella are diverse as follows emotions cognition including multiple intelligences motivation socialization in schools and families and self regulation and its effects Bookseller ,1998 Resilient Grandparent Caregivers Bert Hayslip, Jr.,Gregory C. Smith,2012-11-12 The study of grandparents raising grandchildren now almost two decades old has tended to have a negative bias emphasizing the difficulties such people face and the negative impact that grandparent caregiving has on them physically socially and emotionally This edited book seeks to reverse this trend by taking a positive approach to understanding grandparent caregivers focusing on their resilience and resourcefulness This method reflects a strengths based approach and the importance of benefit finding and positive coping Chapters feature information from both qualitative and quantitative studies and are written by a diverse range of professionals such as counselors psychologists geriatric social workers and nurse practitioners to provide multidisciplinary perspectives for practitioners working with grandparent caregivers Part one discusses the positive qualities that custodial grandparents possess resilience resourcefulness and benefit finding The second part considers the sociocultural aspects of resilience and resourcefulness in grandparent caregivers Finally part three presents strengths based interventions for working with custodial grandparents Practitioners will find this to be a valuable resource in their work and the field as a whole stimulating positive changes in attitudes toward and practices with grandparent caregivers **Practical Social Work Law** Siobhan E. Laird,2014-05-01 Practical Social Work Law analysing court cases and inquiries presents legal issues associated with social work in an accessible format It approaches the law in a way that is less daunting and more engaging by examining actual court cases and public inquiries and explores the stories of real people and the legal and ethical dilemmas practitioners will face The text adopts a problem centred approach to learning by introducing the reader to key aspects of the law through a series of real life situations it addresses basic principles regarding the operation of the law and explores the lessons for good practice Each chapter addresses a specific area of social work law including family breakdown safeguarding children youth justice adults with disabilities mental health and mental capacity Landmark cases cases drawn from the lower courts tribunals and ombudsmans decisions are included throughout presenting an accessible account of the application of the law Practical Social Work Law is an essential text for undergraduate postgraduate and recently qualified social workers who are wrestling with the complexity of the law and the professional dilemmas it poses for their practice This

book is unusual for a law book in that it is not only a reference book but also a very readable volume It is set out clearly and provides a sound basis for student social workers new to the law and a refresher for qualified practitioners Catherine Poulter RSW Integrated Community Services Carmarthenshire County Council ABC of Anxiety and Depression Linda Gask,Carolyn Chew-Graham,2014-07-30 ABC of Anxiety and Depression is a practical guide to the assessment treatment and management of patients with anxiety and depression as they commonly present in primary care It begins with an introduction to views on the understanding of anxiety and depression The following chapters cover how anxiety and depression present in different patient groups such as children and young people adults older people and during antenatal postnatal periods It then addresses anxiety and depression as comorbidities with chronic illness and within special populations and settings The options for treatment and management of anxiety and depression are considered with guidance on when referral to secondary care may be appropriate and the current best practice in psychological therapies drug treatment and social interventions Cases are used to illustrate the complexities of managing patients with anxiety and depression The title concludes with an important chapter on practitioner well being ABC of Anxiety and Depression is a practical resource all general practitioners and family physicians working with patients with anxiety and depressive disorders It is also relevant for primary health care professionals who are part of clinical teams treating patients with anxiety and depression and conditions where anxiety and depression are common comorbidities as well as psychologists counsellors social workers and medical and nursing students *Social Work: Themes, Issues and Critical Debates* Robert Adams,Lena Dominelli,Malcolm Payne,2009-04-16 Social Work Themes Issues and Critical Debates one of the most respected and widely used textbooks in social work has now been completely revised and updated With its accessible and clearly structured framework the book offers expert discussion of the core topics in social work by top writers teachers and practitioners in the field It provides an essential grounding in the debates that shape the profession as well as a clear insight into the issues at the heart of practice What makes this highly regarded and bestselling book stand out from other texts Its range authority and theoretical integrity Its clear and effective structure which reflects major shifts in teaching and makes it easy to use across modules The importance it lays on practice based learning and on developing core practice skills such as communication assessment and intervention Its value as a springboard to further reading including extensive guidance on further print and electronic sources Its compact size perfect for readers who are travelling between campus and practice settings This is one of three interrelated books edited by the internationally renowned and widely published team Robert Adams Lena Dominelli and Malcolm Payne The companion books are Critical Practice in Social Work second edition and Practising Social Work in a Complex World Each book can be used alone or in combination with the other two as a uniquely flexible and comprehensive programme of study **Nursing Times, Nursing Mirror** ,2009 *Social Service Abstracts* ,1992 **Identification and Documentation Good Practices in Zambia** ,2010 Proceedings of the Nutrition Society ,2000 □□□□□□□□ ,2001
