

# Social Policy And Social Work

**James Midgley,Michelle Livermore**

## **Social Policy And Social Work:**

*Social Policy and Social Change* Jillian Jimenez,2010 A timely examination of social policy through a social constructivist and economic lens Social Policy and Social Change illuminates the root causes of common social problems and how policy has attempted to ameliorate them In so doing the book focuses on how social policies in the United States can be transformed to promote social justice for all groups The book uniquely offers both an historical analysis of social problems and social policies and an economic analysis of how capitalism and the market economy have contributed to social problems and impacted social policies The book goes beyond the U S borders to examine the impact of globalization in the United States and in the Global South It considers the meaning and impact of the election of Barack Obama as President of the United States and explores the policy solutions his administration has proposed to deal with the economic recession of 2008 2009 The book also discusses social workers as agents of social change and advocates of social and economic justice It examines five key realms Poverty in families and the welfare system poverty among the elderly and social security child maltreatment and child welfare policy health and mental health policy and housing policy Social Policy and Social Change is a primary text for social policy social welfare policy courses in MSW programs and possibly some higher level BSW programs It will be supplemented with a comprehensive ancillary program including a test bank instructor s manual and student website

**Social Policy for Effective Practice** Rosemary Chapin,2014-03-05 For use as a text in foundations generalist social policy courses either at the baccalaureate or master s level this book examines the process of defining need analyzing social policy and developing new policy A clear philosophical base and a common theoretical framework underlie the discussion of each component of the policy process Four themes are interwoven throughout the book the importance of thinking critically about social policy the benefits of using the strengths perspective in policy analysis and development the critical role social policy plays in all areas of practice and the absolute responsibility of every social worker to engage in policy practice Routledgesw com now contains 6 cases the Sanchez Case has been revised to include much more policy content Instructor materials include extra readings PowerPoints test questions annotated links syllabi and EPAS guidelines

The book is also customizable on Routledge Custom Gateway **Social Policy and Social Change** Jillian Jimenez,Eileen Mayers Pasztor,Ruth M. Chambers,Cheryl Pearlman Fujii,2014-02-26 The Second Edition of Social Policy and Social Change is a timely examination of the field unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them The New Edition of this seminal text examines issues of discrimination health care housing income and child welfare and considers the policies that strive to improve them With a focus on how domestic social policies can be transformed to promote social justice for all groups Jimenez et al consider the impact of globalization in the United States while addressing developing concerns now emerging in the global village **Social Policy for Effective Practice** Rosemary Kennedy Chapin,2017-02-24 For use as a text in

foundations generalist social policy courses either at the baccalaureate or master's level this book examines the process of defining need analyzing social policy and developing new policy A clear philosophical base and a common theoretical framework underlie the discussion of each component of the policy process Each chapter builds on the knowledge foundation provided in previous chapters to equip students with skills necessary for effective policy practice Four themes are interwoven throughout the book the importance of thinking critically about social policy the benefits of using the strengths perspective in policy analysis and development the critical role social policy plays in all areas of practice and the absolute responsibility of every social worker to engage in policy practice Routledge's website now contains 6 cases the Sanchez Case has been revised to include much more policy content Instructor materials include extra readings PowerPoints test questions annotated links syllabi and EPAS guidelines As with the third edition instructors can choose chapters relevant to their course and custom publish them at [www.routledgecustomgateway.com](http://www.routledgecustomgateway.com) **Social Policy** John Baldock, Nick Manning, Sarah Vickerstaff, 2007-03  
Designed for use by undergraduates on social policy social work and sociology courses and by students on vocational training courses including postgraduate this textbook covers all the main topics of social policy **Social Policy, Social Welfare and Social Development** Shankar Pathak, 2013-02-19 The book contains conceptual analytical essays on social development development and social policy Also there are essays which deal with the empirical aspects of social welfare manpower and poverty in India along with various theoretical approaches in critical perspective The last essay is a comprehensive holistic overview of India's developmental planning and provides an empirical check on the definitions of development and social development discussed earlier **The Handbook of Social Policy** James Midgley, Michelle Livermore, 2008-07-08 Social policy is a continuously evolving field requiring constant review documentation and analysis The Handbook of Social Policy is an attempt to document the now substantial body of knowledge about government social policies that has been accumulated since the study of social policy first emerged as an organized field of academic endeavor about 50 years ago The Second Edition offers a more streamlined format to make the book more consistent with the way most instructors teach their courses This text is a comprehensive yet accessible introduction to a vast field of endeavor that has over the years made a significant difference to the lives and the well being of the people of the United States New to the Second Edition Provides up to date policies and references to include the latest information on social policy Offers a state of the art account of American social policy at the beginning of the 21st century Presents contributions including more case studies and examples from leading experts in their respective areas challenge the norm in thinking about social welfare policy Focuses more attention on diverse populations and international issues Includes added content to reflect the areas that have received increased attention such as advocacy policy practice immigration issues discrimination and more Intended Audience This is excellent text for advanced undergraduate and graduate courses such as History of Social Policy Education and Social Policy and International Social Policy in the fields of social policy public policy and administration and social work **Social Work -**

*Perceptions for a New Era* Helena Rocha, 2024-12-04 Social Work Perceptions for a New Era focuses on resilience well being and justice in social work reflecting a diverse and innovative approach In an era marked by rapid technological advancements evolving societal norms and unprecedented global challenges the field of social work stands at a critical crossroads This book brings together diverse perspectives and approaches to address the multifaceted dimensions of social work in the contemporary world It illuminates the evolving view of social work highlighting its contribution to fostering resilience promoting wellbeing and advocating for justice **Policy Analysis for Social Workers** Richard K.

Caputo, 2013-09-17 Policy Analysis for Social Workers offers a comprehensive step by step guide to understanding the process of policy development and analysis for effective advocacy This user friendly model helps students get excited about understanding policy as a product a process and as performance a unique 3 P approach to policy analysis as competing texts often just focus on one of these areas Author Richard K Caputo efficiently teaches the purpose of policy and its relation to social work values discusses the field of policy studies and the various kinds of analysis and highlights the necessary criteria effectiveness efficiency equity political feasibility social acceptability administrative and technical feasibility for evaluating public policy **China's Social Policy** Kinglun Ngok, Chak Kwan Chan, 2015-10-23 This book critically and comprehensively examines China's welfare development amidst its rapid economic growth and increasing social tensions It covers the main policy areas from China's inception of the open door policy in 1978 to the new administration of Jinping Xi and Keqiang Li including social security health education housing employment rural areas migrant workers children and young people disabled people old age pensions and non governmental organisations In particular it critically analyses the impact of policy changes on the well being of Chinese people

**Social Policy for Social Work** Lorraine Green, Karen Clarke, 2016-03-14 Contemporary social work cannot be understood without an appreciation of the broader context of social policy in which it takes place Such an understanding is increasingly important as social workers are expected to work across institutional professional and even national boundaries in new ways profoundly affected by the changing global context This insightful book examines how shifts in the dominant political ideology have affected the nature of welfare provision the kinds of social problems addressed by policy and the balance of responsibilities for well being between individuals the family voluntary organizations the market and the state It explains the impact of these developments on the organization of social work and on relationships between social workers and service users The book discusses contested concepts central to social work such as justice liberty equality difference need and risk and illustrates these through a range of examples The critical analysis provided in this book offers students of social work a crucial foundation for negotiating difficult and sensitive practice situations and defending their profession providing them with the tools and knowledge to uphold key professional values

**The Handbook of Social Policy** James Midgley, Martin B. Tracy, Michelle Livermore, 2000 Comprises 33 papers grouped under five themes The Nature of social policy The History of social policy Social policy and the social services The Political

economy of social policy and International and future perspectives on social policy *European Social Policy and Social Work* Hans van Ewijk, 2009-09-10 This book explores shifts in international social policies looking at how they affect national trends and the context for social work practice It investigates the responsibilities for social welfare held by the state the market and civil society elaborating a concept of citizenship based social work **The Handbook of Social Policy** James Midgley, Michelle Livermore, 2009 The Handbook of Social Policy is a comprehensive examination of the development implementation and impact of social policy The contributors document the substantial body of knowledge about government social policies and their driving forces **Social Policy: An Introduction** Blakemore, Ken, Warwick-Booth, Louise, 2013-10-01 What are social policies How are social policies created and implemented Why do certain policies exist The fourth edition of this highly respected textbook provides a clear and engaging introduction to social policy The book has been thoroughly updated to include Changes in social policy introduced by the Coalition government Incorporation of an international perspective throughout as well as a new chapter The global social policy environment Updated pedagogy to stimulate thought and learning Comprehensive glossary Social Policy is essential reading for students beginning or building on their study of social policy or welfare The wide ranging coverage of topics means that the book holds broad appeal for a number of subject areas including health social policy criminology education social work and sociology This textbook has always been a useful teaching resource because it combines substantial and engaging analysis with stand alone extracts The new edition adds a chapter on global social policy updates on the Coalition Government and guides to what is in the book The added activities are well thought out and can be adapted or expanded to suit the needs of particular students Hedley Bashforth Teaching Fellow in Social Policy University of Bath UK Social Policy An Introduction now in its fourth edition and eleventh year will remain a core social policy text on reading lists across the country due to its well written and comprehensive nature Completely revised it has been updated and extended to reflect contemporary developments in social policy including the policy implications of the Coalition Government and now includes a chapter on global social policy environments reflecting the continued internationalisation of social policy debates Updated pedagogical features which include activities for the reader learning outcomes at the start of each chapter and detailed case studies throughout enhance this thought provoking and stimulating text Dr Liam Foster University of Sheffield UK This book provides as it states an introduction to the field and does so by adopting a highly attractive pedagogic style that evidences at every turn a sensitivity to the approaches to learning of contemporary students Although it is tailored to meet the needs of primarily first year specialist students it is equally suitable for those on other programmes who are taking an option in social policy Because the book anticipates theoretical issues and debates and students will confront as they progress to a more advanced level it will also retain value as be a longer term reference resource I will certainly be citing it on a second year core course I teach It is immediately clear that a great deal of thought has been invested into designing this book What Blakemore and Warwick

Booth have produced is a clearly laid out and well structured analysis of impressive breadth that is a readily accessible learning instrument both for student and teacher Importantly it provides numerous opportunities to experiment with new ways of approaching the teaching of the subject Each chapter sets out clearly expressed learning outcomes with a fair balance of theoretical and empirical concerns Visual displays in box material graphs and flow charts provides a most effective means for absorbing the large amount of ground covered There is good incorporation of statistical material and up to date policy developments Students are also encouraged to exploit useful links to internet and other media sites Particularly attractive from a teaching point of view are the range of tasks set for the students which are aimed clearly at rapid capacity building Chapters end by listing the key terms and concepts addressed to aid revision of material This is repeated in the glossary at the end of the book Most of the materials are derived from the British context but there is also a secondary focus on EU member states and beyond as well as a good chapter on global social policy Steen Mangen Department of Social Policy London School of Economics and Political Science UK **Social Policy and Social Services** Alfred J. Kahn,1973 Textbook on social policy making in respect of social services in the USA covers costs the institutional frameworks programme planning the functions of social workers social assistance health services hospitals income redistribution effects and financial aspects etc Bibliography pp 199 and 200 and references

### **Where Academia and Policy Meet** John Gal,Idit

Weiss-Gal,2017-03-29 Based on data from 12 diverse societies this is the first cross national comparative study on academic engagement in social policy formulation The chapters present survey data on the policy involvement of social work academics in different countries and an analysis of this data by country experts The findings relate to the levels and types of policy engagement of the social work academics their perceptions regarding this type of activity and the factors associated with this This unique perspective on the academia society nexus is essential reading for academics and students interested in the ongoing debate on the role of academia in policy particularly those policies dealing with issues of social justice and social change

### **Social Policy** Paul Spicker,2014-03-20 Social Policy Theory and practice is a fully revised updated and extended

edition of a bestselling social policy textbook extensively reworked and adapted to meet the needs of its international readership The book lays out the architecture of social policy as a field of study binding the discussion of theory to the understanding of social policy in practice It aims to provide students and practitioners with a sense of the scope range and purpose of the subject while developing critical awareness of problems issues and common fallacies Written in an accessible and engaging style it explains what social policy is and why it matters looks at social policy in its social context considers policy the role of the state and the social services explores issues in social administration and service delivery and focuses on the methods and approaches of the subject For practitioners there are discussions of the techniques and approaches used to apply social policy in practice For students there are boxes raising issues and reviewing case studies questions for discussion and a detailed glossary The book s distinctive path breaking approach makes it invaluable for students studying social policy

at a range levels professionals and practitioners in the field of social policy      **Social Policy** John Baldock,Lavinia Mitton,2011-09-22 Designed for use by undergraduates on social policy social work and sociology courses and by students on vocational training courses including postgraduate this textbook covers all the main topics of social policy      **Social Policy and Social Programs** Donald E. Chambers,1986 Explains how to analyze social policy and programs and how to design new programs or evaluate and improve existing ones Analysis evaluation and design of social policy and programs Students of Social Work Policy or Social Work practitioners interested in learning more about the analysis evaluation and design of social policy and programs
