**Social Stratification and Inequality** Harold R. Kerbo, 1996 This text provides coverage of research and theory relating to social stratification in the US and selected international societies It adopts general conflict principles as its theoretical orientation and focuses on the development and maintenance of the structure of inequality This edition has been updated to include data from the 1990 census and features examples figures and tables A new chapter on race ethnicity and gender focuses on important issues of inequality There are also new chapters on Germany and on Japan **Social Stratification and Inequality** Harold R. Kerbo, 1983 *Social Stratification and Inequality* Harold R. Kerbo, 2006 Harold Kerbo continues to provide a comprehensive up to date exploration of the economic and social divisions in human societies While the book is grounded in the nature of social stratification in the United States this edition maintains a commitment to keeping a global perspective Extensive comparative information as well as an overview of how historically social stratification has changed and evolved gives readers a global perspective on class conflict Praised for its thorough research and scholarship *Social Stratification and Inequality* includes current statistics and the latest trends in the field *Inequality and Stratification in the United States* Robert A. Rothman, 1978 Monograph analyzing trends in social stratification in the USA reviews social theories on social stratification examines the dimensions of inequalities in income distribution and social status based on occupation sex ethnic group and race as well as relating economic implications and considers characteristics of social classes in the USA and patterns of social mobility Graphs references and statistical tables **Social Stratification and Inequality** Harold R. Kerbo, 2002-07 **Social Stratification and Inequality** Harold Kerbo, 2011-01-25 The 8th edition of *Social Stratification and Inequality* continues to provide a comprehensive up to date exploration of the economic and social divisions in human societies Extensive comparative information as well as an overview of how social stratification has changed and evolved over time gives readers a global perspective on class conflict Praised for its thorough research and scholarship *Social Stratification and Inequality* includes current statistics and the latest trends in the field *Inequality and Violence in the United States* Barbara H. Chasin, 1998 An examination of class racial and gender violence in the contemporary United States which discusses the obvious violence of individual murder and assault and also the less publicized violence caused by the routine workings of our society and especially of its stratification *Social Structures and Human Lives* Matilda White Riley, Bettina J. Huber, Beth B. Hess, 1988-09 *Social Structures and Human Lives* consists of papers from the 1986 American Sociological Association annual meeting selected to reflect the rich and diverse array of conceptual methodological and substantive reports presented there Leading academics and researchers in the field offer information about aging over the life course the relationship between aging and the changing structure of families firms state and society as a whole and implications for equality of opportunity for people of differing age gender race and socioeconomic status A final chapter links selected topics from previous chapters to established sociological concerns and clarifies the broad scope of the book s central
