The Night Comers:

The Slaves of Heaven Edmund Cooper, 2011-09-29 Welcome to Heaven said the voice The acquisition programme is entirely for females but the occasional enterprising male does not displease us Berry Chief of his clan knew his people could survive the dangers of the forest and when winter came he made them build barricades against raiders from other clans But no barricades were strong enough to hold against the Night Comers huge silver beings of horrifying strength who carried away the womenfolk and were drastically lowering the human population Were the Night Comers men monsters or gods Berry believed they were men and when the inevitable night came when the women of his clan were seized he managed to follow He followed them to a huge tapering column of metal which took him away from the world he had known to an island in the sky called heaven And there Berry realised that he had to defeat the Lords of Heaven if the people on Earth were to survive The Evergreen: Autumn Sir Patrick Geddes, 1895 **Reopening the Frontier** Brian Q. Cannon, 2009 The first ever history of the post World War II homesteading program that provided frontier land to returning veterans Reveals the many challenges they faced and how they helped change our perceptions of the modern American West The Night-comers Eric Ambler, 1967 **The Note Book of the Rev.
