The Night The Gods Smiled:

And God Smiled E. Chris Parker, 2006-12 This thrilling historical page turner is an exciting story without offensive language or explicit sexual content according to the author **The Power of Your Smile** Dr. William J. Kalanta, 2023-01-19 In all the hustle and bustle it's easy to wear a perpetual frown. We often forget the immense power of one thing: the human smile. The Power of Your Smile is a wise yet playful reminder that smiling can improve not only your day but also the days of the people around you. In fact, smiling can improve your entire life. This book focuses on seemingly silly things, maybe even minor or mundane, that in truth are very important. We could focus on difficulties or instead wear a smile and brighten even the most difficult times. Using jokes and anecdotes, author William Kalanta offers many reasons why a person should smile, and there are indeed many. Kalanta uses humor as a way of expressing profound inspirational truths in a way that anyone can understand. Smiling is the best way to change your mood and turn a bad day good. You are the producer, director, and star of your life. Why waste it by wearing a frown? A smile says, Don't pet sweaty things and don't sweat petty things. A smile can change the world.

The Shadow's Heart K. J. Taylor, 2014-12-30 THE CONCLUSION TO K J TAYLOR'S COMPELLING AND EXCITING SFFANZ RISEN SUN TRILOGY Half breed Queen Laela Taranis is in more danger than ever before. Her subjects hate her; her closest allies, including her griffin, have fallen, and most worryingly, the Night God's immortal assassin, The Shadow That Walks, is bent upon reaping vengeance. As her enemies close in on all sides, her methods of maintaining power increase in desperation and violence. Laela's half brother, Kullervo, is supposed to be her strongest ally. But as he comes to terms with both who he is and what his sister's reign means to the land, he begins to doubt his once strong loyalties. With the conflict drawing to its bloody close, he must decide what he's truly prepared to fight for, a choice that could have dire consequences for all he once held dear. Meanwhile, a new threat is lurking in the darkness: the Night God's final deadly pawn. It is this shadow that will decide the outcome of the war and its power that will seal the fates of all involved.

The Shadowed Throne K. J. Taylor, 2013-12-31 Arenadd Taranis, the infamous leader of the Northern people, has vanished. Only his half breed daughter, Laela, knows what happened to him. Left to rule her father's Kingdom, Laela is all that stands in the way of the war. Her cousin, Saeddryn, wants to declare war. But Laela faces a far more dangerous enemy: the Night God. She herself wants Laela dead. Faced by enemies on all sides, Laela must learn to rule and survive with her griffin partner, Oeka, by her side. As allies come from unexpected places, someone new will enter Laela's life: the mysterious shapeshifter, Kullervo. But soon the Night God will send the most dangerous enemy of all: the deadly Shadow That Walks, an invincible murderer created to fulfill only one mission: kill Laela.

The Griffin's War K. J. Taylor, 2011-02-22 After promising his allegiance to the Night God, Arenadd Taranis has escaped death for the second time and vows to free his people. With the dark griffin, Skandar, by his side, Arenadd begins to gather an army and prepare for war using the power gifted to him by the Night God to move through the shadows. But even as Arenadd's strength grows, his nemesis sets out for the Island of the Sun, seeking the one weapon that
