## **From the Moment They Met It Was Murder** Alain Silver,James Ursini,2024-04-02 The behind the scenes story of the quintessential film noir and cult classic Billy Wilder s Double Indemnity

its true crime origins and crucial impact on film history is told for the first time in this riveting narrative published for the film's 80th anniversary. From actual murder to magazine fiction to movie, the history of *Double Indemnity* is as complex as anything that hit the screen during film noir's classic period. A 1927 tabloid sensation, crime of the century inspired journalist and would-be crime fiction writer James M. Cain to pen a novella. Hollywood quickly bid on the film rights but throughout the 1930s a strict code of censorship made certain that no studio could green light a murder melodrama based on real events. Then in 1943, veteran scriptwriter and newly minted director Billy Wilder wanted the story for his third movie. With tentative approval from the studio, he hired hardboiled novelist Raymond Chandler to co-write a script that would be acceptable to industry censors. Director Wilder then cajoled a star cast into coming aboard the incomparable Barbara Stanwyck in her unforgettable turn as the ultimate femme fatale alongside Fred MacMurray going against type as her accomplice and Edward G. Robinson as a dogged claims investigator. Wilder kept Chandler on for the entire shoot and other key collaborators were cinematographer John Seitz, costume designer Edith Head and composer Miklós Rózsa. With all these talented contributors, the final film became one of the earliest studio noirs to gain critical and commercial success, including being nominated for seven Oscars. It powerfully influenced the burgeoning noir movement, spawning many imitators and affected the later careers of all its cast and crew. *Double Indemnity*'s impact on filmmakers and audiences is still felt eight decades since its release. Authors Alain Silver and James Ursini tell the complete, never-before-told history of writing, making and marketing of *Double Indemnity* in their latest and most provocative work on film noir, *From the Moment They Met It Was Murder*.

Something More than Night Kim Newman, 2021-11-02 Anno Dracula author Kim Newman reimagines the lives of Raymond Chandler and Boris Karloff with his signature wit in this gripping and horrifying tale of late 1930s Hollywood. Hollywood, the late 1930s. Raymond Chandler writes detective stories for pulp magazines and drinks more than he should. Boris Karloff plays monsters in the movies and is a genial cricket-playing member of the British film colony on the shores of the Pacific. Both understand that these streets are dark with something more than night. Together these English public school men in exile investigate mysterious matters in a town run by human and inhuman monsters. Under Home House, the mock gothic mock mansion of a film mogul is a mad science dungeon just like in the movies where an experiment has gone dangerously wrong or even more dangerously right. Fiery death spills onto Sunset Boulevard. John Devlin, an investigator for the District Attorney's office, who scores high on insubordination and Laurel Ives, a woman with as many lives as a cat and names to match, barely escape Home House. Fired by the DA, Devlin enlists Ray and Billy Raymond Chandler and William Pratt, Boris Karloff to work the case which threatens to expose Hollywood's most horrific secrets. These people will find out more than they should about the way this town works. And about each other. And oh yes, monsters aren't just for the movies.
