**The Obsidian Mirror** Louise M. Wisechild,1988      *The Obsidian Mirror* Louise M. Wisechild,Laura Davis,1988-09-25

The Obsidian Mirror tells the affirming and inspiring story of the author's journey to confront and to heal from childhood sexual abuse Through the use of inner characters a critical judge an adolescent rebel scared and needy inner children and an evolving nurturer Wisechild illustrates the effects of abuse and her ongoing process of healing With the support of friends counselors and her own work with creativity and body mind therapies Wisechild carries the reader with her on her journey from fear and grief to rage and personal empowerment A classic in the literature on sexual abuse and healing The Obsidian Mirror has encouraged thousands of survivors and their allies Includes a Foreward by Laura Davis author of The Courage to Heal      The Obsidian Mirror

Louise M Wisechild,1998-09-25 The Obsidian Mirror tells the affirming and inspiring story of the author's journey to confront and to heal from childhood sexual abuse Exploring the process of remembering the author explains how she like many other survivors was unable to recall incidents of childhood abuse until well into adulthood Through the use of inner characters a critical judge an adolescent rebel scared and needy inner children and an evolving nurturer Wisechild illustrates the effects of abuse and her ongoing process of healing With the support of friends counselors and her own work with body therapy she begins her recovery the movement from fear and grief to rage and resolve the spiritual reawakening and growing understanding of her creativity and the ultimate reclamation of self Considered a classic in the literature on sexual abuse and healing The Obsidian Mirror has given validation and hope to thousands of survivors of childhood sexual abuse and those working with them The 5th edition includes a new afterward by the author Looking Back 2024      **The Therapist's Notebook**

Lorna L Hecker,Sharon A. Deacon,2013-02-01 When did you last have enough free time to carefully create develop and test a therapeutic concept or teaching method to improve the help you provide to your patients With The Therapist's Notebook a compilation of original ideas by practicing clinicians you can tap into the knowledge and experience of seasoned professionals to give your clients tangible field tested assignments that will represent their work and progress in therapy Appropriate for practicing marriage and family therapists psychologists social workers and other therapists of any professional affiliation who deal with children adolescents adults couples or families this dynamic handbook provides you with handouts and homework activities that are quick and easy and require little effort or experience to use The Therapist's Notebook is a valuable resource for both experienced and novice clinicians Established clinicians will know how to fit each chapter to a particular clientele while uninitiated clinicians or trainees will appreciate how the ready made materials help their clients and spur their own creativity in intervening You'll find therapeutic work becomes less stressful and more enjoyable as you learn about helping these populations deal with important issues Adults goal setting boundary issues life transitions communication problemsolving compulsivity feelings Couples trust infidelity leisure time communication conflict resolution sexuality enrichment Families rules punishment decisionmaking gender roles chores and

responsibilities communication Children self esteem school problems social skills abuse discipline problems Adolescents peer pressure school issues communication involvement in therapy behavior Other resistant clients crisis counseling linking clients with social resources The Therapist's Notebook gives you a tangible useful product you can utilize with clients The book's compilation of homework handouts and activities that have been successfully applied to client populations is valuable not only for therapists daily use but also to illustrate creative clinically tested interventions to future counselors therapists social workers teachers school psychologists and special educators Particularly useful as an ancillary text in university courses in psychotherapy related fields the book's user friendly format will enliven practicum courses and ensure heightened student participation
