**Research Handbook on the Law of the EU's Internal Market** Panos Koutrakos,Jukka Snell,2017-01-27 While the internal market has been at the heart of the European project from the very beginning it has rarely been the subject of sustained and comprehensive scholarly examination in its entirety. In the face of profound legal political and policy pressures this timely Research Handbook reflects on the cutting edge issues horizontal themes and the big questions which illuminate the shape of the internal market. It places the law and policy of the internal market within the context of the financial crisis and the existential questions this has raised for future European integration. *Global Social Policy* Bob Deacon,1997-10-27 This accessible text looks at the impact of the globalization process on social policy. National social policy is increasingly determined by global economic competition and international organizations. Its substance is becoming more and more transnational and now has to be understood in terms of global social redistribution social regulation social provision and empowerment. Global Social Policy examines trends in global inequity and summarizes the diverse experiences of different welfare regimes across the world. The authors review the social policies of international organizations such as the World Bank the International Monetary Fund UN Agencies and the European Union and show them to be engaged in heated

controversy regarding the future for welfare They argue that this concealed global discourse needs to be brought into an accountable arena
