Schwirian, Rachael Woldoff, 2004 Unlike so many other cities around the country Columbus citizens gave a firm no to the proposal that public money be used to build an arena to attract an expansion professional hockey team and a soccer stadium to keep a professional franchise Yet both structures are now a permanent part of Columbuss landscape High Stakes is the inside story of how a coalition of the city s movers and shakers successfully did an end run around the electorate to build these sports complexes As it turned out everybody appears to have won taxpayers were relieved of any funding obligation the coalition got the new facilities and the new arena jumpstarted downtown redevelopment Now the Columbus case is being touted as the model of how to use professional sports to improve a city s downtown with minimal taxpayer expense Publisher web site

DK Eyewitness Travel Guide New York City, 2014-10-01 The DK Eyewitness New York city Travel Guide now available in PDF will lead you straight to the best attractions New York has to offer The guide includes unique cutaways floorplans and reconstructions of the city s stunning architecture plus 3D aerial views of the key districts to explore on foot You ll find detailed listings of the best hotels restaurants bars and shops for all budgets in this fully updated and expanded guide plus insider tips on everything from where to find the best markets and nightspots to great attractions for children The DK Eyewitness New York city Travel Guide shows you what others only tell you **American Book Publishing Record**, 2003 **Financial Management in the Sport Industry** Matthew T. Brown, Daniel A. Rascher, Mark S. Nagel, Chad D. McEvoy, 2021-04-07 Now in a fully revised and updated third edition this essential textbook introduces the fundamentals of sport finance and sound financial management in the sport industry It is still the only textbook to explain every aspect of finance from the perspective of the sport management practitioner explaining key concepts and showing how to apply them in practice in the context of sport The text begins by covering finance basics and the tools and techniques of financial quantification using industry examples to apply the principles of financial management to sport It then goes further to show how financial management works specifically in the sport industry Discussions include interpreting financial statements debt and equity financing capital budgeting facility financing economic impact risk and return time value of money and more The final part of the book examines financial management in four sectors of the industry public sector sport collegiate athletics professional sport and international sport It provides an in depth analysis of the mechanics of financial management within

each of these sport sectors Useful features such as sidebars concept checks practice problems case analysis and case questions will help students engage more deeply with financial techniques and encourage problem solving skills This new edition includes a completely new chapter on international sport reflecting the globalized nature of the modern sport industry as well expanded coverage of current issues such as digital media finance recent legal cases affecting collegiate sport and the central importance of collective bargaining Financial Management in the Sport Industry is an essential textbook for any undergraduate or postgraduate course in sport finance and an invaluable supplement to any course in sport business or sport management It is also an important reference for all sport management practitioners looking to improve their understanding of finance The book is accompanied by updated and expanded ancillary materials including an instructor's manual PowerPoint slides and an image bank
