

The Nfls Best Ever Runners

Danny Jones

The Nfls Best Ever Runners:

Lost Treasures from the Golden Era of America's Game Danny Jones, 2011-04-29 *Lost Treasures from the Golden Era of America's Game* Forgotten Heroes and Legends of the 50s 60s and 70s focuses on Pro Footballs forgotten stars from the glorious past They were outstanding players who somehow slipped through the cracks of immortality and should be in the Pro Football Hall of Fame in Canton Ohio but are not Its been over 40 years for some legends and its a mystery if they will ever be selected to Footballs highest honor Many of them have just been forgotten These men defined a bygone era of Pro Football with their brilliant performances They were the men who made the game and were some of the most exciting players to ever play Pro Football Many of these guys were pioneers and trailblazers in the 50s 60s and 70s They were stars who showed us how to play their positions and did it in a professional manner These players provided excitement and happiness to millions of fans across the country and were part of the most popular sport in the world Lets hope they receive recognition for their accomplishments and be selected to the Hall of Fame These heroes and legends were just too good to be forgotten Fans of all ages will enjoy this book <http://www.starsofthenfl.com/index.html> *The NFL Off-Camera* Bob Angelo, 2023-07-07 In this book the author shares stories from his 40 years working for NFL Films to reveal new insights into the players coaches owners and media members he met Stories are organized into alphabetical entries by the name of the person who serves as the story s subject **Distant Memories** Danny Jones, 2008-04-22 The 26 men featured in this book have one thing in common They were all great football players These legends were the superstars of the NFL and AFL during the glorious 60s and the fun loving 70s However only 2 of these legends are in the Hall of Fame in Canton Ohio These stars revolutionized the game of Pro Football with their brilliant performances and were Pro Footballs biggest gate attractions As the years go by and the 60s and 70s have become a distant memory these outstanding football players and mavericks have been unappreciated and forgotten These heroes and legends of the fall contributed to the success of the NFL and made Pro Football the most popular and exciting sport in America *Distant Memories The NFLs Best Ever Players of the 60s and 70s* focuses on Pro Footballs forgotten stars and legendary heroes from the glorious past Its about pioneers and great players from yesteryear I have always wanted to write a book like this Since I was a former amateur football player and have the knowledge and resources about football I thought I would be the right person to write this book and do it with class and style I have watched every football player in this book play every week and have seen all of the weekly highlight shows I have followed their entire careers and I have seen every touchdown they scored I watched all NFL and AFL games on TV in the 60s and 70s In 1970 when the AFL and NFL merged to become one league I watched every game on TV during the 70s I can remember my golden Sunday mornings and early afternoons when I played football during the 70s I always hurried home from my games so I could watch the NFL on TV You can ask my wonderful mother She knew where I was every Sunday afternoon during the football season when I was young I would like the players in this book to finally receive the recognition

they deserve for their outstanding accomplishments Danny Jones <http://www.starsofthenfl.com/index.html> **More Distant Memories** Danny Jones, 2006-12-12 This book is about Pro Football's best ever players and forgotten heroes from a bygone era. They were the superstars of the NFL and the AFL during the fabulous 50's, the glorious 60's and the fun-loving 70's. However, none of these legends are in the Pro Football Hall of Fame in Canton, Ohio, with the exception of Bob Brown who was finally selected in 2004 and Gene Hickerson who was selected in 2007. These exciting players revolutionized the game of Pro Football with their outstanding performances and were the NFL's and AFL's biggest gate attractions. This book is a sequel to my first book *Distant Memories: The NFL's Best Ever Players of the 60's and 70's*. I have chronicled the careers of 30 great football players and have provided you a glimpse back at the best seasons, longest touchdowns and the big plays of their illustrious careers. Most of these men should be in the Hall of Fame. J.D. Hill and Golden Richards will never be selected because they don't have the statistics, but they were 2 of the NFL's most sensational players. All of these players had Hall of Fame talent and most of them also had Hall of Fame-like statistics. *More Distant Memories* is more than a book about great football players. It's about the men who played the game and the humanity behind the facemasks. These legendary heroes and mavericks provided excitement and happiness to millions of football fans across America. These players are lost treasures and have simply been forgotten as time goes by. They were brilliant players and dedicated professionals. Their place in Pro Football history is secure regardless of any Hall of Fame status. It was these trailblazers, legends and other stars from the glorious past that made Pro Football our national pastime and America's game. Enjoy your trip down memory lane <http://www.starsofthenfl.com/index.html> *NFL's Greatest* Phil Barber, Steve Sabol, John Fawaz, 2002 Filled with compelling photos of the most important teams, games, players and events as determined by the officials of the Pro Football Hall of Fame, this fascinating and in-depth book will enthrall sports fans. **Keepers of the Flame** Travis Vogan, 2014-03-15 NFL Films changed the way Americans view football. *Keepers of the Flame*, NFL Films and the Rise of Sports Media traces the subsidiary's development from a small independent film production company to the marketing machine that Sports Illustrated named perhaps the most effective propaganda organ in the history of corporate America. Drawing on research at the NFL Films Archive and the Pro Football Hall of Fame and interviews with media pioneer Steve Sabol and others, Travis Vogan shows how NFL Films has constructed a consistent romanticized and remarkably visible mythology for the National Football League. The company packages football as a visceral and dramatic sequence of violent, beautiful, graceful and heroic gridiron battles. Historically proven formulas for presentation such as the dramatic voiceovers once provided by John Facenda's baritone, the soaring scores of Sam Spence's rousing background music and the epic poetry found in Steve Sabol's scripts are still used today. From the Vincent Price narrated *Strange but True Football Stories* to the currently running series *Hard Knocks*, NFL Films distinguishes the NFL from other sports organizations and from other media and entertainment. Vogan tells the larger story of the company's relationship with and vast influence on our culture's representations of sport, the expansion of sports

television beyond live game broadcasts and the emergence of cable television and Internet sports media

Keepers of the Flame NFL Films and the Rise of Sports Media presents sports media as an integral facet of American popular culture and NFL Films as key to the transformation of professional football into the national obsession commonly known as America's Game

Superstars of the NFL Phil Barber, 1998 They came they saw they conquered The National Football League honors its preeminent star athletes with this full color book that profiles the 35 most outstanding players in the game From quarterbacks such as Dan Marino and Brett Favre to running backs such as Barry Sanders defensive ends such as Reggie White and tight ends such as Shannon Sharpe **Superstars of the NFL** pays homage to the finest football competitors on the field today Selected by the NFL these players are featured in intimate profiles that provide an insider's look at how they get the job done following them from preseason to post season play In addition fans will find overviews of each player's entire career with complete statistics and quotes from coaches Throughout the book photographs range from action packed game shots to emotional moments that reveal the softer side of these headliner athletes A special feature of 10 up and coming players to watch gives fans an interesting idea where the game is going and who is leading the charge The NFL chose these 35 best of the best based on their entire careers which comprise an impressive collection of athleticism Together these players help to make football the most watched game in American sports
