**The Nun's Priest's Tale** Geoffrey Chaucer, 1915    **The Nun's Priest's Tale** Geoffrey Chaucer, 1927    *The Canterbury Tales* Geoffrey Chaucer, 2018-09-16

*The Canterbury Tales* recounts the stories told by pilgrims to one another as they make their way from London to the shrine of St Thomas Becket in Canterbury. This volume contains the *Nun's Priest's Tale*, which tells the popular moral story of two chickens, Chanticleer and Pertelote. The facing page contains Chaucer's original text as it was written in fourteenth century Middle English. Alongside there is room in the wider outer margins and line spacing for students to write their own notes on the *Nun's Priest's Tale* or perhaps to define unfamiliar key words. The reverse side contains a new translation into modern English which differs only slightly from those found elsewhere. Here each line is translated separately, which means no words have been substituted or borrowed from adjacent lines simply to help maintain the original rhyming structure. Accordingly, this translation adheres very closely to Chaucer's own original meaning, although in doing so it may occasionally contain rather more descriptive explanation than is usual in translated works. Nevertheless, this word-for-word approach will greatly assist those who are new to Chaucer's Middle English. Parents will be pleased to see that the *Nun's Priest's Tale* contains none of the vulgarity found in some other *Canterbury Tales* which makes this edition ideal for Middle and High school students. This volume contains the complete and unabridged text of the prologue and tale with line numbers, a helpful new translation together with a personal study notebook. This means it offers excellent value for money. The translator was educated at St Chad's College, Durham, Warwick, Exeter and

De Montfort universities in England and was a Hardwicke and a Sir Thomas More scholar of Lincoln's Inn London His publications include works on English law and literature *Chaucer* Geoffrey Chaucer, 19?? **The Nuns Priests Tale** Kenneth Sisam, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Chaucer and Medieval Preaching* Sabine Volk-Birke, 1991 **The Nuns Priests Tale** Kenneth Sisam, 2016-05-06 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Chaucers Canterbury Tales** Geoffrey Chaucer, 1960 **The Nun's Priest's Tale and The Pardonner's Tale (Geoffrey Chaucer)**.
