Intercultural Communication Heiner Pürschel, 1994 At a time when technology and transport are making the world smaller and smaller and thus the need to communicate greater and greater linguists have been prompted to make intercultural communication one of their major topics. Step by step and with the aim of achieving a greater understanding of and proficiency in intercultural encounters linguists continue to describe and compare foreign cultures languages and communication patterns. Politeness verbal and non verbal rituals social interaction such as greetings invitations small talk telephoning procedural matters in institutional multi cultural negotiations are among the subjects dealt with in this volume. They will be of interest not only to linguists but also to all those involved in foreign language teaching translation and the mass media

Intercultural Communication James W. Neuliep, 2006 This introduction to intercultural communication provides students with a clear model for examining communication within cultural micro cultural environmental socio relational and perceptual contexts. The author depicts his theory as a series of circles representing the idea that communication is defined by the interdependence of cultural contexts. His presentation of contexts begins with the outermost cultural circle of the model and moves inward toward the most specific traits of communication verbal and non verbal messages. Each chapter focuses on one context and the combination of factors included within that context setting situation and circumstances. The text also highlights influences such as values ethnicity physical geography and attitudes and then examines certain means of interaction including body language eye contact and the exchange of words. Additional topics covered include the stages of relationships cross cultural management intercultural conflict and culture shock. Features Self report instruments help students understand themselves and assess their performance and skill development as they learn the important concepts of intercultural communication. Every chapter contains a summary glossary of terms and an extensive reference list. Photos charts and graphs help make the material more accessible and realistic to students. A content rich Website offers resources for instructors and students including PowerPoint slides to enhance class presentations.
