Clymer, 2025-05-05 126 pages and profusely illustrated with more than 260 illustrations diagrams and charts size 8 250 x 10
750 inches Originally published by Floyd Clymer in 1969 with coverage for the 1969 and earlier 4 speed and 5 speed 250cc
and 360cc models While this 2025 edition includes all of the data from the original publication it has also been expanded to
include data for the 125cc and 380cc engines which extends the coverage through 1974 CZ motorcycles of this era were
identified by a three digit Type number occasionally followed by a numerical suffix for example Type 984 9 The suffix number
identifies model variations and or year of manufacture within each Type group Unfortunately the use of the Type number is
extremely model specific and in order to eliminate any confusion the data included in this manual is appropriate for the
Single exhaust Pipe 4 speed and 5 speed CZ Motocross Enduro and Ruff Country models However for the sake of
completeness the manual states that coverage includes the following model Types Type 984 125cc Motocross Type 968 250cc
Motocross Single Pipe Type 980 250cc Motocross Type 988 250cc Enduro Type 969 360cc Motocross Single Pipe Type 981
380cc Motocross From 1964 to 1966 the Type 968 and Type 969 were available with Twin Pipe engines they are not covered
in this manual However as many of the other mechanical components are shared with the Single Pipe machines this manual
will also be of use to owners of those Twin Pipe models We encourage you to exercise caution when purchasing technical
publications for your classic motorcycle or automobile as many of the reprints found on internet websites are from bedroom
sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor
quality digital comb bound or ring bound photocopies that are scanned or printed complete with greasy pages and
thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often
advertised for the incorrect series and or model years However VelocePress com has been publishing reprints of motorcycle
and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you
are purchasing a quality product **Sport 125, Sport 175 Workshop Manual** ,1969 **Chilton's Motorcycle and ATV
