Still We Hope Amanda Wilhelm, 2019-09-24 September 1939 Returning home to Manhattan for the High Holidays fifteen year old David Rosenbaum can't help but notice the changes in his childhood friend Kathleen O'Dell No longer the little girl he lent his favorite books to David finds himself torn between his growing affection for Kathleen and his certainty that his parents would never approve of a relationship with a Catholic girl Troubled when he overhears an altercation between Kathleen and her mother his family's maid David follows Kathleen to a shop owned by one of his father's oldest friends What transpires next will change everything When Pearl Harbor is bombed and America enters the war the ramifications of the decisions made that day will be felt not only by Kathleen and David but by their families for generations to come From New York City to Africa and Italy from an elite prep school to the front where who you used to be doesn't matter Still We Hope is a heartfelt saga of World War II its impact on the men who served the ones they left behind and how it haunted those lucky enough to make it back home

The Silk Robe Raymonde Q, 2025-05-31 Power has a price The question is how much is Judge Irene Dunne willing to pay A gripping legal and political drama about power betrayal and a love found in the most unexpected place Q clearly knows the ins and outs of a judge's chambers engagingly detailed novel about the secrets hidden beneath a judge's robe Kirkus Reviews The courtroom is her battlefield Power is her weapon But love love is the one thing she never saw coming In the 1990s U.S. judicial system Irene Dunne is a rising force elegant brilliant and fiercely ambitious As an Administrative Judge she commands respect and runs her court with precision But beneath the surface she begins to see the harsh reality corruption incompetence and a system struggling to keep pace with a changing society When a fellow judge is indicted and takes his own life Irene becomes the reluctant guardian of the court's integrity Determined to reform the system from within she enters a treacherous world of hidden agendas political maneuvering and unspoken loyalties In this world betrayal often comes from those wearing the robe

As the fight escalates Irene must choose between protecting a broken system and exposing the truth even if it means destroying everything she has worked for In the midst of this turmoil she forms an unexpected bond with a man who sees her strength and stands beside her when no one else will The Silk Robe is a character driven novel that explores the fragile line between power and principle It reveals the personal cost of seeking justice in a world designed to resist it 5 Star Reviews from Readers Favorite leaving readers with the feeling of watching the events on screen featuring richly drawn and unforgettable characters A compelling narrative that blends a legal drama with elements of romance and political thriller The authentic portrayal of the legal system adds realism and credibility to the high stakes drama The characters felt authentic and relatable and the writing style was engaging This is a thought provoking book on many societal issues **The Brothers** A. S. Gratwick,1999 Terence s Brothers was put on in Rome in 160 B C when captive Greece was capturing her ruffian conqueror and bringing style to barnyard Latium when Cato the Elder still vigorous at 74 was defending the ways of our Roman ancestors with pen and voice and fourteen years before the destruction of Carthage and Corinth which marked a new epoch in Roman history It is the latest surviving example of comoedia palliata and for sustained verve variety characterization and substance it is perhaps the most accomplished of the genre as we know it as well as a document of the blending of Greek and Roman not yet quite complete The play deals with a perennial domestic problem how fathers should relate to teenage children and raises the wider question of ends and means in education Latin text with facing page translation Tall, Dark...Westmoreland! / The Moretti Seduction: Tall, Dark...Westmoreland! / The Moretti Seduction (Moretti's Legacy) (Mills & Boon Desire) Brenda Jackson,Katherine Garbera,2010-05-01 Tall Dark Westmoreland Brenda Jackson **Working with the Bereaved** Simon Shimshon Rubin,Ruth Malkinson,Eliezer Witztum,2012 Working With the Bereaved summarizes the major themes in bereavement research and clinical work and uses the authors e tm own cutting edge research to show mental health practitioners how to integrate these themes into their practice It provides clinicians with a framework for exploring their own emotional and intellectual assumptions about loss and bereavement and it goes on to summarize state of the art thinking in the field The heart of the book focuses on the theoretical and clinical implications of the empirically validated Two Track Model of Bereavement as well as a variety of therapeutic techniques designed to help the bereaved both reapproach life and manage their continuing bonds with the deceased The later chapters examine methods for integrating systems and family perspectives in therapy for attending to the implications of culture and religion and for meeting crises and emergencies in bereavement care The concluding chapter addresses self care well being and resilience offering practical guidelines for both the bereaved and those who treat them Switchmen's Journal ,1890 Millicent Courtenay's diary William Henry G. Terence - Adelphoe (The Brothers) Terence,2019-07-11 Publius Terentius Afer is better known to us as the Roman playwright Terence Much of his life especially the early part is either unknown or has conflicting sources and accounts His birth date is said to be either 185 BC or a decade earlier 195 BC His place of birth is variously listed as in or near Carthage or in Greek Italy to a woman taken to Carthage as a slave It is suggested that he lived in the territory of the Libyan tribe that the Romans called Afri near Carthage before being brought to Rome as a slave Probability suggests that it was there in North Africa several decades after the destruction of Carthage by the Romans in 146 BC at the end of the Punic Wars that Terence spent his early years One reliable fact is that he was sold to P Terentius Lucanus a Roman senator who had him educated and impressed by his literary talents freed him These writing talents were to ensure his legacy as a playwright down through the millennia His comedies partially adapted from Greek plays of the late phases of Attic Comedy were performed for the first time around 170 160 BC All six of the plays he has known to have written have survived Indeed thanks to his simple conversational Latin which was both entertaining and direct Terence s works were heavily used by monasteries and convents during the Middle Ages and The Renaissance Scribes often learned Latin through the copious copying of Terence s texts Priests and nuns often learned to speak Latin through re enactment of Terence s plays Although his plays often dealt with pagan material the quality and distinction of his language promoted the copying and preserving of his text by the church This preservation enabled his work to influence a wide spectrum of later Western drama When he was 25 or 35 depending on which year of birth you ascribe too Terence travelled to Greece but never returned It has long been assumed that he died at some point during the journey Of his own family nothing is known except that he fathered a daughter and left a small but valuable estate just outside Rome His most famous quotation reads Homo sum humani nihil a me alienum puto or I am human and I think nothing human is alien to me *Saint-Jean-Baptiste Des Allemands* Glenn R. Conrad,1972 **Officers' Report and Proceedings** United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry,1991
