Tesio Myth:

Horse Profiling Kerry Thomas,2025-11-04 The Thomas Herding Technique is thoroughly explained in this book that helps trainers of top equine athletes get them to perform their very best while living happy contented lives While following wild horse herds in Wyoming and Montana independent researcher Kerry Thomas realized that what is inside the horse emotional conformation and not what is outside how a horse is built or its physical conformation is what governs herd dynamics He determined that this was the basis for everything horse whatever role a horse plays in a human environment whatever breed sport or job the emotional conformation dictates in large part success or failure Thomas identified a system of emotional profiling the Thomas Herding Technique that enables him to determine a horse s performance tendencies and then began to develop ways in which horses can be mentally conditioned toward a given goal The technique is already used by some leading racehorse training and breeding programs in the world and this book explains this unique way of analyzing the psyche of the equine athlete for all horses and particularly those in competitive careers where performance is a primary focus

Never Say Die James C. Nicholson,2013-05-04 A quarter of a million people braved miserable conditions at Epsom Downs on June 2 1954 to see the 175th running of the prestigious Derby Stakes Queen Elizabeth II and Sir Winston Churchill were in attendance along with thousands of Britons who were all convinced of the unfailing superiority of English bloodstock and eager to see a British colt take the victory They were shocked when a Kentucky born chestnut named Never Say Die galloped to a two length triumph at odds of 33 1 winning Britain s greatest race and beginning an important shift in the world of Thoroughbred racing Never Say Die traces the history of this extraordinary colt beginning with his foaling in Lexington Kentucky as well as the stories of the influential individuals brought together by the horse and his victory from the heir to the Singer sewing machine fortune to the Aga Khan Most fascinating is the tale of Mona Best of Liverpool England whose well placed bet on the long shot Derby contender allowed her to open the Casbah Coffee Club There her son met musicians John Lennon Paul McCartney and George Harrison later joining their band Featuring a foreword by the original drummer for the Beatles Pete Best this remarkable book reveals how an underdog s surprise victory played a part in the formation of the most successful and
