Test Of Time Travels In Search Of A Cricketing Legend

Rachel Sandford

Test Of Time Travels In Search Of A Cricketing Legend:

The Cambridge Introduction to Travel Writing Tim Youngs, 2013-05-27 Surveying various works of travel literature this text argues that travel writing redefines the myriad genres it often comprises **The Tour** Simon Wilde, 2023-03-30
WINNER OF THE MCC CRICKET SOCIETY BOOK OF THE YEAR AWARD WINNER OF THE HEARTACHES CRICKET BOOK OF THE YEAR AWARD LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK THE YEAR AWARD An England cricket tour is a unique phenomenon with its own pressures challenges and remarkable highlights It presents its participants shorn of the usual support networks they enjoy at home with a prolonged test of skill physical stamina and mental resilience Now Simon Wilde author of the acclaimed *England The Biography* examines in *The Tour* the delicate chemistry that makes for a successful tour and why others disintegrate so badly Since the 19th century England has been sending its cricket teams around the world to take on their rivals Initially these trips were undertaken by boat meaning players could be away for many months often in alien conditions With air travel reducing journey time and facilities much improved the challenges still remain homesickness isolation hostile crowds not to mention an opposition determined to win at all costs For some the experience can be too much while others thrive in the heat and dust of battle *The Tour* looks at all aspects of the history of England's cricketers abroad including the burden placed on the captain who is expected to combine on field acumen with the deft touch of an ambassador off it There have been diplomatic incidents aplenty from Douglas Jardine's Bodyline tactics to Len Hutton's tour of the Caribbean as well as the special pressures of playing in countries such as India and Pakistan during periods of unrest Touring has never lost its romance There have been serious scrapes from court cases to car crashes but also much fun whether joining in with the Barmy Army or David Gower famously taking a Tiger Moth for a spin Wilde explains how this seemingly anachronistic activity has been adapted from an instrument of imperial soft power to a relentless cricket circus that never ends Simon Wilde has once again created a masterpiece of insight information and entertainment an aspect of cricketing life that few will ever forget the tour **Tourism and Cricket** Tom Baum, Richard Butler, 2014-08-04
This book is the first to focus on the relationship between tourism and cricket The volume examines how cricket as a participant and spectator sport generates diverse tourism to both major and peripheral locations It will appeal to researchers students and teachers in tourism sport and leisure *Test of Time* John Lazenby, 2006-04-01 John Lazenby's interest in cricket began as a boy with a glimpse of his grandfather's old leather cricket bag stored in the rafters His curiosity piqued he explored its contents to discover a faded blazer scuffed ball and linseed scented bats Decades later when he found a box of letters written by his grandfather J R Mason on the boat to Australia for the Ashes tour John was inspired to retrace the journey John's tour through the Australian cities and remote towns visited by England cricketers over a hundred years ago uncovers a wealth of anecdotes and memorabilia His narrative vividly evokes not only Mason and his teammates but a wider sense of late Victorian mores at home and abroad **American Book Publishing Record** ,2005 **Book Review Index**

,2006 Every 3rd issue is a quarterly cumulation The Strangers Who Came Home John Lazenby,2015-01-29 A compelling and beautifully drawn social history of the first Australian cricket tour of England An excellent bustling account of the first Australian cricket XI to tour England Independent A fascinating story well told Choice The Ashes cricket series played out between England and Australia is the oldest and undoubtedly the most keenly contested rivalry in international sport And yet the majority of the first representative Australian cricket team to tour England in 1878 in fact regarded themselves as Englishmen In May of that year the SS City of Berlin docked at Liverpool and the Australians stepped onto English ground to begin the inaugural first class cricket tour of England by a representative overseas team As they made their way south towards Lord s to play MCC in the second match of the tour the intrepid tourists or the strangers as they were referred to in the press encountered arrogance and ignorance cheating umpires and miserable weather But by defeating a powerful MCC side which included W G Grace himself in a single afternoon s play they turned English cricket on its head The Lord s crowd having begun by openly laughing at the tourists were soon wildly celebrating a victory that has been described as arguably the most momentous six hours in cricket history and claiming the Australians as their own The Strangers Who Came Home is a compelling social history which brings that momentous summer to life telling the story of these extraordinary men who travelled thousands of miles risking life and limb playing 43 matches in England as well as several in Philadelphia America on their return journey during a demanding but ultimately triumphant homecoming It reveals how their glorious achievements on the field of play threw open the doors to international sports touring and how these men from the colonies provided the stimulus for Australian nationhood through their sporting success and brought unprecedented vitality to international cricket

The Educational Review ,1895 Edging Towards Darkness John Lazenby,2017-06-01 Cricket matches didn t always top out at five days regardless of a result or not they used to be timeless with play continuing until one team won no matter how many days that took The last of these which took place in Durban in 1939 in a series pitched against the backdrop of impending war is now universally acknowledged as the timeless Test Weighing in at a prodigious ten days the match stretched from 3 14 March 1939 and allowed for two rest days while one day s play the eighth was lost entirely to rain it is quite simply the longest Test ever played A litany of records also perished in its wake and whole pages of Wisden were ruthlessly made obsolete If that was not enough one player the fastidious South African batsman Ken Viljoen felt the need to have his hair cut twice during the game Only the matches between Australia and England at Melbourne in 1929 which lasted eight playing days and West Indies and England at Sabina Park Jamaica a year later seven days come remotely close in terms of their duration In Edging Towards Darkness John Lazenby tells the story of that Test for the first time Set firmly in its historical and social setting the story balances this game against the threat of encroaching world war in Europe unfolding at terrifying speed before bringing these two disparate strands together in an evocative and vibrant denouement **American Ecclesiastical Review** ,1899 *American Ecclesiastical Review* Herman Joseph Heuser,1899 **The Book Review**

Digest ,2007 *Academy, with which are Incorporated Literature and the English Review* ,1884 *Book Notes* ,1898
 The Saturday Review of Politics, Literature, Science and Art ,1872 *Saturday Review* ,1898 Subject Index of the
Modern Works Added to the British Museum Library, 1936-1940 British Museum. Department of Printed Books,1944 **The**
New York Times Book Review ,1991-07 *The Spectator* ,1875 The Saturday Review of Politics, Literature, Science,
Art, and Finance ,1872

Yeah, reviewing a book **Test Of Time Travels In Search Of A Cricketing Legend** could grow your close contacts listings. This is just one of the solutions for you to be successful. As understood, finishing does not recommend that you have astounding points.

Comprehending as well as arrangement even more than further will offer each success. bordering to, the statement as competently as insight of this Test Of Time Travels In Search Of A Cricketing Legend can be taken as capably as picked to act.
